# DECEMBER MEETING MINUTES

## Reports

This month we are returning to the meeting room above Brix Café in downtown Orlando just like last month. MSCC President, **George Bonafede**, called the meeting to order at 7:38pm and apologized for the delay, but wanted to make sure everyone arrived and was eating for this important meeting. For the last time as me as Secretary it was time to approve last months minutes. With a tear in my eye (probably dust) they were approved. The voting ballots were handed out for competition rules & 2008 Executive Board.

Vice President, **Jason Young**:

- November event was wide open with few issues.
- Timing issues with new timing system and had to use old system for the event and the December event. He'll work on new system during the next event.

Treasurer, **Robert Belvoir**:

- Went over expenses, including premium for insurance - good through 2008, fixing P.A., banquet give-a-ways, etc.
- DUES ARE DUE !!!

Events Director, **Patrick Wilson**:

- Course designers signed up for the months of January, February & March

Secretary, **Chris Wells**:

- Since this month is considered "pointless" there was no meeting roster.
- 2008 Membership applications are available

President, George Bonafede:

- Porsche Club & MSCC to hand deliver gift baskets to Lake County School Board & Sheriff's office.
- Talk to Pete about storing MSCC trailer at LCTC site.
- Toy donation to Lake County Sheriff's office and a representative from there will be at our event to pick up all the toys.
- Board decided to have a ballot vote for competition rules in lieu of "all or nothing" vote.

## Old Business

A Motion was made and approved to strike proposed rule #2 from the ballot until further clarification.

We are looking at South Georgia Motorsports Park for our April Mini-Prix. The site is 350' x 1800' and costs about \$800 compared to Gainesville which is \$2000, but is about an hour north of Gainesville on I75. Still need more info.

Don't forget that, starting in January 2008, pre-registration & pre-pay for all non-members and there will only be 40 openings for non-members.

Congrats to all the Florida State champs. It's our turn in 2008 and we reviewed how E.R. handled the event. We'll have a committee to handle all of this for us.

## New Business

**Kevin Abel** suggests adding a "sticky" to the Autocross Forum. George to handle this.

Add to MSCC website to "see autocross forum for event dates". Contact **Mark Stockbridge**.

There was a slight halt in the meeting for various reasons, but we restarted at 8:38.

**Mikael Edstrom** suggests flour spreader for course layouts and will do research.

# DECEMBER MEETING MINUTES

**Bert Foschini** suggests a large dry erase board for the side of the trailer. Chuck Peterson offered one that his family is no longer using. Size about 3' x 5'.

**Karel Schneider** motioned to use the Edstrom/Foschini run-order at the December event. It was voted down 16-11. Further discussion will take place for possible use in 2008.

Congrats to George Bonafede & 2007 IMSA Lites Champion **Gerardo Bonilla** for their pictures in Grassroots Motorsports Magazine.

## 2008 Competition rule changes/amendments:

- 1) Add – Non competitive class (designated as NC) for those who wish to just have fun without the pressure of competition. 31-yes / 18-no
- 2) Striked – until further clarification
- 3) Add – Kart drivers shall only be eligible for year-end class trophies, but not for overall class, Tiger of the Year or Rookie of the year. 33-yes / 14-no
- 4) Split kart class into Jr. & Sr. karts: 11 years old and under for Jr. & 12 years old and over for Sr. (birthdays after half season will round down to Jr. & before half season will round up to Sr.). 41-yes / 8-no
- 5) Rule Revision – Turbo cars in prepared classes that have the ability to gain boost from ECU modification shall be re-classed up in category (as per SCCA template). 29-yes / 20-no
- 6) Add – Supercharged cars in prepared classes with pulley-altered boost will move up in prepared class. No other alterations allowed except those noted in prepared class modification guidelines to stay in prepared classes. Example: bigger fuel injectors, high-flow fuel pumps, altered fuel pressure, etc. not allowed. 30-yes / 19-no

**“REMEMBER TO RACE SAFE, RACE SMART AND ALWAYS HAVE FUN”**

# DECEMBER RACE REPORT

By Bert "Hammer" Foschini

It's pointless, you say? The point, my fellow cone junkies, is to have a sleep-deprived blast. For the 2007 version of the December Pointless event we had 114 drivers, a number we are likely not going to see again in the near future. More on that later. For now, it's all about the fun. Speaking of fun, that's what a bunch of folks are going to have, thanks to the generosity of the MSCC family. We donated a ton of toys to the Lake County Sheriff's Office, which were accepted by the future ex-Mrs. Belvoir, so we were all winners before the racing even started.

The course looked very familiar, but then again, when dealing with a 600' X 300' rectangle, the courses all tend to look familiar. Speaking of familiar, it was nice to see some familiar faces behind the wheel, including Modest Marc Dana and Gerardo "Banquet Boss" Bonilla. We even had the return of past Tiger Champion and past club President Ed Knerr, who was driving a V8-powered Triumph TR3. You don't see those every day! You will not find three nicer guys, or three better drivers, on the planet. Just another reason this club is so great.

I'm asking myself if I should even bother writing about who ran what class, who ran what time, etc. as most of the data is wrong, which is what is so great about the December event – no one really cares. Sure, people are going to look at their times and compare them to others, but few people are in "race trim" for this event. Of course, the hands-down winning poster boy for not being in race trim is Mark "Elwood" Goodall in his Blue Brothers mobile, complete with roof-mounted PA system. Although it's doubtful he would have won the GTP championship in the Monaco, the fact that he finished 3<sup>rd</sup> in that thing is astonishing. And this was the first event that I can remember where we had not one, but two Marauders plowing their way around the course. I think the Monaco and Marauder are distant cousins in the pig family.

Kevin and Kristen Abel used the December event to bring out the daily driver, which just happens to be a '99 Porsche Boxter. How did it do? Kevin beat your 2007 CS Champion by over 4 seconds in raw time, by over 7 seconds if you count that pesky cone Sean LePach hit. You see, there is no point to it.

Speaking of class champions finishing last and hitting (or more appropriately, *not* hitting) cones, Randall Huls was your 2007 Conehead Award winner, as well as your GTR class champion. He then was the only person in his class to have all clean runs, while finishing 2.3 seconds off the pace. You see, you can't count on anything at the December event, it's almost pointless.

Ryan Speaks didn't want to burn up his race tires just for the fun of it, so he ran street tires. Hey Ryan, how it is running R-comps all year and then running on street tires? I will quote Ryan here – "It sucks!" That would also explain why Ryan, who is your 2007 BP Champion, finished more than a second behind Bob Blucher. 2007 CP Champion Kyle Tarr had car trouble, so Bob offered up his car, which typifies the quality of people we have here in the MSCC.

Terry Tabor decided to dust off his '97 Mustang Cobra and figured, since George isn't running in SMST, that's the place to be. That was pointless as Terry finished 6<sup>th</sup> in SMST, but would have finished 1<sup>st</sup> in GTP and would have won the class by almost half a second. Now do you get my point?

So, 2007 finished with a huge turnout, but that is a thing of the past. Large turnouts at the LCTC facility become a logistical nightmare and the club decided that, beginning in January 2008, events would be capped to 40 non-members. In addition, non-members must pre-register and pre-pay, meaning if you are not registered before the event, you will be unable to race. You can still come out and watch, which is almost as fun, but not quite. I hope the holiday season finds you all healthy and happy. There is no doubt that 2007 was a Grrreat, grrreat year fer racin'!
