DECEMBER MEETING MINUTES

General Meeting 12/04/08

The meeting was called to order at 7:31 PM by our President, Chris Wells. A motion was made, seconded and the November meeting minutes were history.

Reports

Vice-President, **Mikael Edstrom**:

- November Event hosts: **Kevin Abel, Rob Post, Ben Turner and Jason Young.**
- There were no problems, no protests and a low turnout.
- Each heat took approximately one hour.

Secretary, **Mickey Gauldin**:

- Once again, clocks stopped around the world, waiting on the answer to the question humans have been asking since the dawn of time, "Did everyone sign the roster?" The answer was affirmative. Therefore, life as we know it, resumed.

Treasurer, **Robert Belvoir**:

- The MSCC Accounting Guru elucidated the finer points of debits and credits. In the end it all boiled down to colors instead of debits, credits and decimals: we are still in the black!

Event Director, **Bert Foschini**:

- There were only 66 drivers this month but there were a bunch of fun runs.
- Coming events:
- MSCC Banquet – December 13.
- MSCC Pointless Event – December 14 hosted by: **Don Hosler, Erich Mertz & Jim Mueller.**
- MSCC General Meeting – Thursday, January 8.
- MSCC January Event – January 11. Hosts: **Glenn LaFlamme, Ryan Speaks, Justin Cady and Jason Stroud.**

DECEMBER MEETING MINUTES

Time to Vote

The ballots included:

Will you consider adopting some form of SCCA Classing: Majority voted YES.

Adopt SCCA classing and rules associated with classing: Majority voted NO.

Clone SCCA classing and rules associated with the classing, except stock classing rules would be consistent with current MSCC classing rules (i.e. no mods, no race tires): Majority voted NO.

Adopt SCCA classing in its entirety with the exception that stock classes are a street tire version of the SCCA stock classes allowing all of the modifications allowed by SCCA stock class rules, with the exception of only allowing DOT tires with tread wear of 140 or higher: Majority voted YES.

If SCCA classing is adopted, a SMST class shall be created with our current provisions for it: Majority voted YES.

Modify rules to bump classes with 1-2 competitors into a larger class, same as requiring Novice class to require at least 2 participants (Section 4.7). This shall be utilized for event trophies only: Majority voted YES.

Remove the 107 rule (Section 5.2.3.4): Majority voted NO.

A vehicle may only run in a class for which that vehicle is specifically classed. Majority voted YES.

Our President (Chris Wells), Secretary (Mickey Gauldin), Treasurer (Robert Belvoir) and Events Director (Patrick Wilson) were unopposed and therefore elected.

The vote for Vice-President (Mikael Edstrom or Jason Young): Majority voted for Mikael Edstrom.

DECEMBER RACE REPORT

By Bert "Hammer" Foschini

Very few drivers are on top of their game at the December event. For one thing, it is the day following the awards banquet, so most people are sleep-deprived, hung over or both. For another thing, the entire event is like a broken odometer – it doesn't count. And, most are already into the holiday season, with visions of spark plugs dancing in their heads. Sounds like a good time, right? Wrong. It was bad. How bad was it? It was so bad that there were cop cars out on the course all day long. And they were, literally, cop cars – Citizens On Patrol cars to be more precise. It seems someone decided to park them on the LCTC lot, lock them and then hide the keys. But, we are a resourceful and determined group, so we just designed the course around them. What's the worst that can happen – someone smashes into the cop car? Is that really such a bad thing? The Grinch may have left cars parked on the racing surface, but he was nowhere to be found with this bunch, as we donated a truckload of toys to the folks at the Lake County Sheriff's Office. Now that is the point!

Usually the only time people are happy to see a cop is when there is a bad guy in the area (assuming you are not the bad guy they are seeking). Not so at the December event. The sight of a certain Brit at the wheel of an aircraft carrier-like police car, wallowing around the course, creating plumes of smoke that could be enjoyed all the way to Hazzard County, emergency lights illuminating the smoke with Christmas-like colors, brought a smile to even the craggiest face. It may have been pointless, but it was highly enjoyable. And that's the point. He even had a scary looking biker dude in the back seat, who looked rather at home back there.

The 2008 version of the December event had 91 drivers, which makes sense. If you add up the numbers in 2008 they equal the sum of 9 and 1. Freaky, eh? No? Well, the December event did witness the return of Puck Cheterson and his pole smashing Z28 Camaro. As an extra-added precaution we decided to park the timing trailer in front of the victimized pole. There was a notable sigh of relief, from the pole. Because Chuck is just a big meanie, he parked the Z next to the pole in between runs. The pole was a quivering mess all day long. Now that was freaky, and pointless.

Perhaps the best part of the day for me was when Gina Young told me I looked gigantic in Thomas' kart. Me and gigantic, in the same sentence! The not so great part was that the little punk beat me by almost 2 seconds in his kart. Oh well, I still looked big in it and that is the point!

One interesting note is that 11 of the 14 cars that ran in the stock classes were German, with 3 coming from the land of the rising sun. The lone domestic product was Bruce Abbot's Bill Elliott replica, complete with window net. Bruce has 2 hard, fast rules. One - he will drive hard and fast, and 2 – he will not race any car until the shocks are completely and utterly worn out. With all of the body roll his entire stable of cars has it's a wonder he doesn't get seasick out there. I get queasy just watching him. The way Bruce judges if he had a good run is if he was riding the bump stops in the corners. Other interesting items included Chris Wells back behind the wheel of a Z06, Ryan Speaks in his SVT Lightning, and the appearance of a '72 Lotus Élan, which unfortunately suffered a major mechanical failure. That is a cool car.

The year finished with a flair. We had a brand new, first time Tiger points champion and the addition of some new racers to various families. But 2009 has plenty of intrigue in store. With the adoption of SCCA classing and rules (except for not allowing race tires in the Stock classes), there are some big changes on the horizon. So, I will take this opportunity to wish everyone a happy and healthy holiday season and a happy New Year. May Santa be good to you. I have it on good authority that Santa is a huge fan of all things racing. The dude obviously knows how to get around extremely quickly. Merry Christmas to all and to all a heavy right foot.
