*Volume 52
Number 11
November 2012*

Last year's Tiger Champion, Ryan Speaks, has not raced with us much this year. His absence did nothing to slow him down as he took Top Time of Day at the October Mini-Prix and had a significant impact on this year's Tiger Championship outcome.

OCTOBER MEETING MINUTES

Martin Sports Car Club
General Meeting Minutes
Thursday, October 4, 2012

Meeting Called to Order: 7:35 p.m. by **Chris Wells**.

Due to the short time since the last event, Pit Patterns could not be mailed prior to the meeting. Copies were distributed to all attendees; all others were subsequently mailed.

Motion made and seconded to approve September general meeting minutes. All approved.

VP Report – **Bob Blucher**

- Bob could not attend, so Chris gave the VP report
- All competition rules submissions for 2013 were due no later than this meeting. Rules discussion will take place at next month's meeting.

Treasurer – **Ben Turner**

A wardrobe malfunction (gold chain snapped!) did not thwart Ben's stewardship of his duties. He bravely soldiered on to report that we're still awaiting several bills from LCTC for course rental. Pending that, our bank account is a little larger than would normally be expected.

Secretary – **Kim DeBower**

Verified that all 22 attendees signed the meeting roster.

Events Report – **Hien Nguyen**

Signups for October 7 Sebring non-points event are low. Let's hope we get more

Only 42 drivers made the rescheduled September points event. Low turnout meant more laps—six runs each on a fast, flowing course! There was also an issue with the "optional" slalom that was eventually resolved

October 20 is joint event with PCA. They will run in the a.m.; MSCC will conduct its Fall Mini Prix in the p.m.

Executive Board will host the October Mini Prix, using a course designed by Bob Blucher. **Ryan Speaks** and **Drew Hackett** will host the November event.

Old Business

Highland Manor in Apopka has been selected as the location for the year-end awards banquet. Desserts are not provided in the meal menu, so members are encouraged to bring a potluck variety of sweets

Some timing equipment was damaged at the Grassroots Motorsports 2012 Challenge. GRM provided MSCC with a \$250 reimbursement. Equipment will be sent in for repair, a portion of which may be covered under warranty.

OCTOBER MEETING MINUTES

New Business

- Chris provided a brief report from the GRM 2012 Challenge. Fewer cars and fewer car failures this year
 - While enroute to the GRM Challenge, one of our trailer tires went flat. Though it's been repaired, all tires are now seven years old with dry-rotting sidewalls. Estimate for replacement is \$300. A motion was made, seconded and approved to purchase and mount four new tires
 - NASA is proposing that MSCC assume control of all NASA autocross events at Sebring in 2013. NASA would cover course rental and insurance, while retaining course safety approval. Any decision in this regard will be the responsibility of next year's Executive Board
 - A suggestion was made to provide special MSCC T-shirts as event awards in lieu of trophies in 2013. Further discussion will take place at next month's general meeting
 - Thanks to **Travis Schneider** for securing a new U.S. flag for our events. The old flag will be provided to a local VFW for proper disposal
- Reminder: in addition to discussing proposed rules changes, members should submit nominations for the 2013 Executive Board at next month's general meeting.

Upcoming Meeting

The next general meeting is Thursday, November 1. Location TBD.

50/50 raffle

Won by Travis Schneider.

Meeting Adjourned: 8:45 p.m. by Chris Wells.

Members in Attendance: P. Belvoir, G. Bonilla, M. Brau, K. DeBower, M. Edstrom, J. & M. Gauldin, J. Giddens, D. Hosler, S. Hughes, T. McDonald, H. Nguyen, Z. Plumley, K. & T. Schneider, A. & K. Spence, J. Stroud, B. Turner, C. & K. Wells, P. Wilson.

Election season is upon us. Very soon we will cast our votes in what is undoubtedly the single most important decision of the year – electing the club leaders to guide us through another racing season. Yes, that's right; it is time to choose next year's nominees for the MSCC executive board. Many of these would-be candidates showed up to the semi-annual Mini Prix to make their case for candidacy one final time before the primaries in November.

This fall's event was far from normal, and was more Mini than Prix. A small gathering of only 47 candidates turned up at the debate to rev their engines and have their tires heard. The low turnout at the polls in this year's election season remains a mystery, but on this occasion it could be because we shared the Orange County Convention Center with the Porsche Club and granted them use of the site in the morning so they could cap their festivities by having champagne and hors d'oeuvres (pronounced *horse doovers*, for the middle class readers) with their donors. This meant our own event would be an afternoon event, and a large turnout could mean final runs in the waning light of day.

Eight candidates went uncontested in their races, including Secretary of Club incumbent Kim DeBower. Bruce Abbott single-handedly saved Detroit with his pair of T-Birds, and celebrated his accomplishment by parading his 2004 edition in F Stock. But like the big tent sales events at the American car lots, no one else showed up to the party.

Treasury Secretary Ben Turner has won the hearts of Martin voters by keeping the club's fiscal house in order and with his accommodative monetary policy as it pertains to Martin Money, aptly named Benjamins. Rumor is brewing that Ben will have a challenger in the upcoming election who wants to tighten monetary policy by cutting back on club entitlements to trophy winners. That could mean fewer Benjamins in your pocket, folks! But hey, at least the club's entitlement program is guaranteed to go to those who earned it. Anyway, in H Stock Ben cruised to an easy lead in the polls over Amanda Portoghese.

In C Stock, Tom McDonald and Scott Swartz have swapped the lead in the polls all year. Tom decided to strengthen his campaign by bringing in a running mate (a co-driver, for the politically challenged). He also unveiled his 5-part plan, which was to stay on course in each of his five runs. But like most candidates, he followed through on only one of those 5 parts. Scott, meanwhile, opted to run a clean campaign and took a 1-point lead over Tom. Tom's running mate won the debate (is that allowed?), and afterward showed his gratitude by forgetting to put the valve stem caps back on Tom's wheels. That's no way to treat your donors!

In ASP, young candidate Leland Giddens joined his father, John, in his attempt to abolish the SMSTs from TTD at OCCC. They may want to abolish the EPA while they're at it, because they have burned some serious rubber this year. The Giddens campaign has had tremendous traction (literally!) at OCCC. In the first of two debates there, the younger candidate won TTD. Leland was on track to repeat his good fortune, but more on that later. Nevertheless, he would go on to win this debate by 1.1 points over his father and largest donor. Tax that!

RACE REPORT

Presidential incumbent Chris Wells was campaigning to the undecideds in Savannah the weekend of the Mini (Prix). Jason Stroud went into the Mini (Prix) with strong momentum, but independent Mike Southard made an unexpected appearance and won the race by less than 3 tenths of a point. Penny Belvoir dropped from the race in DP after taking an unsustainable beating from father Bobby Beater Belvoir, leaving BBB as the lone candidate in the race. Not exactly a clean campaign. In STS, Colm Roe clearly supported Tom McDonald's 5-part plan. The battle for SSM between Mikael Edstrom and Mickey Gauldin was perhaps the most exciting debate of the day. Mikael took the early lead, then Mickey moved into the lead on his second run with a strong jab and held onto it until Mikey fired back with a zinger on his final run, edging Mickey by a measly .2 points!

The narrowest margin of victory came in the race for Novice, with Ray Jenkins charging his Charger to victory by a meager .06 points! His opponent, Jose Cruz, made a good showing on his part as he made big improvements in each run.

At the most recent debate at Mimi's Café, Vice Presidential incumbent Bobby Bluchè told the voters, "Read my lips, no new classes!" Riding high in the polls after his strong performance, Bob decided to campaign to the high income earners at the Porsche Club event. But being an honorable leader, he elected to fulfill his ambassador duties to the PCA rather than campaign all day. Bob set up the course in the morning, but was later attacked by an opponent who proclaimed, "You didn't build that!" Exhausted from speaking a different language all morning, Bob boarded his tour bus before getting mobbed by voters. His absence from the Mini (Prix) allowed his opponents to stretch their lead in the race for SMST2, which has come down to Patrick Wilson and Steve Pierce. Steve showed early support for the McDonald 5-part plan but decided to switch parties and run a cleaner campaign in his last three runs. Richard Thackway threw his hat in the ring and made a strong case for himself, but as all independents go, he fell just short of a trophy. Patrick was too strong for his opponents and won the debate by less than a point.

Hien Nguyen came into this debate with a commanding lead in the Tiger Polls. Rumor on the street is Patrick hired Ryan Speaks to enter the SMST4 race and steal the win from Nguyen. Ryan took the pay and sent Hien reeling back to his campaign advisers. Suspicious of Ryan's and Patrick's involvement in Tigergate, Hien was overheard at timing and scoring demanding a recount. Ryan's landslide victory was enough to win the race for TTD and kill the Giddens' run for office.

The race for Tiger Champ comes down to the final points debate of the year. One candidate drops from the race with his 2nd place finish in the Mini (Prix), leaving three candidates who are mathematically in contention to challenge Hien Win for the Nguyen as he seeks a second term as Tiger Champ. The stage has been set for a heated debate! Will we see shady campaign tactics from the candidates such as class stacking and tire slashing, or will they stick to the usual pandering, posturing, fact distortion and general delusion? Be sure to tune in to the final debate on November 11th, hosted by Lake County Tech Center. But in this particular race, your vote won't matter! The stage is set for a heated battle! Be sure to tune in to the final debate on November 11th, but in this particular race, your vote won't matter!

A FEW WORDS FROM THE CHIEF

WOW. . . how time flies. Can you believe we are wrapping up the 2012 autocross season? I hope everyone has had a great season and earned enough competition points and active member points. If not, the November meeting & race are your last opportunities to get those highly sought after points. As a reminder, you need 21 active member points to earn the coolest shirts in Motorsports!!!

Since the season is wrapping up, I should start promoting the 2012 MSCC Awards Banquet, which will take place on Saturday, December 8th. The banquet location is:

Highland Manor
604 East Main St.
Apopka, FL 32703
(407)650-9558

This is located at the intersection of Hwy 436 & 441 in the historic plantation home known for years as Townsend's Plantation. Everyone, members and non-members, is welcome to attend. Our banquets are always fun and this year will not be any different as it will be hosted by the duo of Matt Ferratusco and Bert Foschini. The menu for the evening will be a buffet style with salads, 2 main entrée's, 1 potato or rice dish & 1 vegetable. A beverage station with tea, water & coffee, as well as a "cash bar" serving beer & liquor, will also be available.

I want to try something different this year with our dessert table. Do you have a special dessert that you love to brag about? I think it would great to offer a "pot luck" style of desserts for everyone to try. We need approximately 8-10 people to commit to this, so please e-mail me at cwells13@gmail.com by Nov. 30th if you'll be able to provide a dessert. No need to go over-board either (for example: if your dessert is a pie then only make 1 pie). I also want these to be Homemade – no store bought pre-made desserts!!!

Keep a lookout for a pre-registration e-mail from E-Vite within the next couple of weeks. You'll have up to Nov. 30th to let us know if you'll be attending or not. The cost for this evening full of entertainment is only . . . *wait for it* . . . \$15 per person!!! MSCC will cover the remainder of the expenses.

As always, we'll have plenty of give-a-ways, but we encourage you to bring a gift to donate to the give-a-way portion of the festivities. Have someone special you feel needs a good laugh or could use some embarrassment? Bring a gag gift and let us all enjoy the humor at the expense of others. Also, don't forget to bring a new, unwrapped toy for our Lake County Sheriff's office toy drive.

I'll see you at the races!

Chris Wells

2012 MSCC President

Throughout the season this is the page to turn to for the latest Tiger Point standings. Near the end of the year we like to keep things interesting and purposely refrain from publishing the updated results. Instead, the table above shows all of the past Tiger Champions, in the order in which they won the award. Why, you ask, is Bob Blucher listed so far up the list if he just won the award two years ago? Because Bob holds the distinction of winning his second Tiger Championship 27 years after his first. He looks pretty good for a guy who is 79, doesn't he? Will we have another repeat champion, or a repeat of last year, which crowned a first-time champion? Come to the awards banquet to find out!

I guess we'll have to wait at least 17 years to see if the name "Thackway" will be added to the list above.
