

Pit Patter

Volume 53
Number 8
September 2013

The August event had nothing do to with power, which makes this picture fitting. Victoria Edstrom is starting to reel in the old man, closing the gap with each passing event.

AUGUST MEETING MINUTES

Martin Sports Car Club
General Meeting Minutes
Thursday, August 1, 2013

Meeting Called to Order: 7:38 p.m. by **Mickey Gauldin**.
Everyone receive a Pit Patter this month? Yes!

Motion made and seconded to approve July general meeting minutes. All approved.

VP Report - Mickey Gauldin on behalf of Mikael Edstrom

Recap of July 7 event at OCCC:

Only two safety issues

Buffer from both light poles and curb was increased to 25 feet minimum at area near starting line

Future OCCC course designers should account for all curbs, light poles and grates

No protests

Some hardware issues with the older laptop.

Treasurer – Ben Turner

Sum in club treasury is virtually the same as last month.

Secretary – Kim DeBower

Verified that all 16 attendees were checked off on the meeting roster.

Events Report – Steve Pierce

July 7 OCCC event attracted 72 drivers, including 13 novices. **Robert Belvoir** took top time of day by .006 over **Leland Giddens**

Zane Plumley, Travis Turner and **Don Cross** will host the August event at LCTC. Hosts are needed to help **George Bonafede** in September at OCCC and for all remaining events, so contact Steve.

- New discussion forum created by Travis Turner is now linked to MSCC website. So far, all users are pleased with its performance
- MSCC's application for LLC status has been submitted. The application was made necessary by the need for a tax ID number for PayPal submissions. Any decision re: pursuit of tax exempt status will come later
- Two other clubs in the state have events planned for October 5-6, the dates now set for the Florida State Championships at Sebring. As a possible alternative, MSCC is investigating the possibility of partnering with the PCA at their event at Sebring November 9-10. Any chance appears slim at best
- In advance of the State Champs, the MSCC trailer needs roof coating, general clean-up and new logos. A date will soon be set for repair work and volunteers are needed. It's a great opportunity to earn additional member points
- Additional cones will be needed for the State Champs. A motion to purchase up to 100 new cones was approved.
- Latest version of the MSCC 2013 Rulebook with all suggested changes will be posted for review on the club website before a vote at the September club

AUGUST MEETING MINUTES

meeting. Timing for review is good, since rule changes are due in October, discussed in November and voted on in December.

New Business

- MSCC's AXWare software contract has not been renewed since 2010, so our version is several updates old. A motion to renew the contract and purchase updates was approved
- As an experiment, the August issue of the Pit Patter was published on regular paper. However, some members still received damaged copies in the mail

Matt Ferratusco reported that plans are now underway for a fall autocross school. Dates are still TBD.

Swap Time

Steve Pierce is selling his motorcycle. Contact Steve.

50/50 drawing

Won by **Sean Monett** (second month in a row)!

Upcoming Meeting

Next general meeting is **Thursday, September 5, 2013** at Mimi's Cafe in Altamonte Springs.

Meeting Adjourned: 8:46 p.m. by Mickey Gauldin.

Members in Attendance: R. Belvoir, M. Brau, D. Cross, K. DeBower, M. Ferratusco, J. & M. Gauldin, T. McDonald, S. Monett, S. Pierce, Z. Plumley, R. Speaks, A. Stogsdill, B. & T. Turner.

RACE REPORT

By Matt "Foo Foo" Ferratusco

What would summer be without an autocross at Lake County's finest patch of asphalt? After hooking up with grip at OCCC for two months, we returned to LCTC for some sorely needed slip angle! Travis Turner sketched a challenging course for us that turned out to be a great equalizer, if not tilting the scales toward nimble cars with a nod to Colin Chapman. Zane Plumley, Richard Fickes and Don Cross completed the event host team at our 8th points event of the 2013 season.

The course proved a technical challenge for all who dropped their clutch and matted the gas pedal. Precise car placement and careful planning were the order of the day, as this course penalized the overzealous. The first half was open and smooth; a flat-out (for most cars) stretch across the center led the transition to a tight slalom, creating the effect of a decreasing radius entry. The challenge here was to balance the car carefully while slowing just enough to set up properly for the slalom – slide the car here or carry too much entry speed, and time was easily lost just trying to avoid cone carnage in the tight slalom! From there, a tighter back half of the course required patience and judicious throttle, and first gear for some. Power steering was appreciated!

Fifty-eight drivers torqued their lug nuts at the August event, with 28% of the field being of the lesser-experienced, recently hooked variety. That equates to a Novice class with 16 drivers, continuing the trend of being our largest class. Eric Braun is one of our sport's newest addicts, competing in his final Novice event and taking home the 2nd place trophy. Robby Ronk won his first autocross trophy and graduates to regular classing. Congrats Robby!

Zane Plumley was back in action after being sidelined with a broken Audi since March. Rumor has it he was offered beads to show his TT. Don Hosler the Hustler hustled his Z06 to his 7th victory of the year as he defends his SS class title. Mario Knis defied the tread depth gauge to pass tech and sail to another B Stock win on treaded slicks. And Kim DeBower found himself DeOnly one in D Stock this month, putting a crimp in his chase to be De Tiger!

Chris Wells and Bobby Bluché joined yours truly in Myata on fresh-off-the-rack BFG Rivals to compete in C Stock. Doug Adams also joined us from Florida's left coast for the second time this year, and Dr. Ludwig von Bavetta made his first event of the season. In unusual circumstances, the silver Miata circus swept the podium.

Ben Turner came into the August event on a string of six straight wins in HS, and his war on women has launched him into the battle for the Tiger championship. Dawn Giddens sat this one out, but we saw the return of one of motorsports' only Britanic drivers – Alan Rodriguez. Alan was an MSCC regular and one of our most entertaining announcers some 12 years ago. According to the race results, in his return to MSCC action Alan drove nothing but still posted times. That's legendary!

RACE REPORT

They say some things never change, except for the things that do. John and Leland Giddens have owned the time sheets this season and their 3rd gen RX-7 has been the class of the field. And fast again they were, but with a slightly different outcome. Both drivers usually go faster each run, but Leland peaked early and couldn't improve upon his 2nd run; meanwhile John continued to improve and pulled out his 2nd class win of the season. Top Time of Day accolades, however, would not belong to a Giddens on this day. After all 58 drivers had completed their first run heat, Richard Fickes had a solid 2 second lead in overall times, enough for him to take his first TTD in 2013 and his 2nd TTD with MSCC!

STF stands for Street Touring Fiat, as Mikael and Victoria Edstrom foresaw the need for a nimble, lightweight car for this month's course and wisely opted for the Fiat 500 instead of the Corvette. After three runs, Victoria demonstrated that a clean driving record is a recipe for success, holding her first class lead! Mike eventually got his act together and ungraciously ripped victory from the small, gentle hands of his daughter, but let it be known that Victoria finished only one second behind Mikael and is making tremendous progress in her first year of autocross. Watch out dad, Queen Victoria is ready to take the throne!

STS stands for Street Touring Sean, as Sean Monett has dominated the class all year and is set to win the class championship in his rookie year! STX stands for Street Touring X, because that is the name of the class. This is also where Mr. Smooth himself, Gary Meredith, needed only 3 runs to cruise to an easy win. Smooth move!

Kevin Spence continues his reign in STU, where Steve Pierce puts up a heck of a fight every month but is outmatched when it comes to equipment.....I'm talking about their cars. All in favor of seeing Steve co-drive with Kevin, say 'aye'!

SMST2 is where the hottest battles (but not the hottest drivers) have been waged this year. August was no exception, as 2 of the top 3 drivers in the Tiger chase went head-to-head. Karel Schneider made the early move by holding a commanding lead after 2 runs, but George Bonafede took over the lead on his 3rd run. Karel and Travis opted to switch from the BFG Rivals to RA-1s for the afternoon, hoping to avoid overheating tyres. The switch paid off as they finished 1-2 in class with Karel taking home precious Tiger points in the largest points-paying class of the day! The top three were separated by a molecular 234 *thousandths* of a second! Put that in your microscope and smoke it!

The close battle for Tiger has taken a definitive shape and the contestants are known. With just three events remaining to take home points, the games have begun and the battle is on! Will Ryan Speaks repeat? Will George four-peat? Will Karel, myself, Ben, Kim or Kevin add their name to the list of mighty Tigers? May the best Tiger win!

TIME IS MARCHING ON

I know, it's only September, but the racing season is winding down much quicker than you think. September is the time to start thinking about rule changes, Executive Board nominations and what you are going to get your favorite Pit Patter Editor for Christmas. (I hear he is very fond of cash!)

Anyway, don't forget that rule changes and new rule submissions must be presented to Vice President Mikael Edstrom, in writing, at or before the October General Meeting. If there is a rule you do not like, or a rule we do not have that you think we should, now is your opportunity to make your dream a reality.

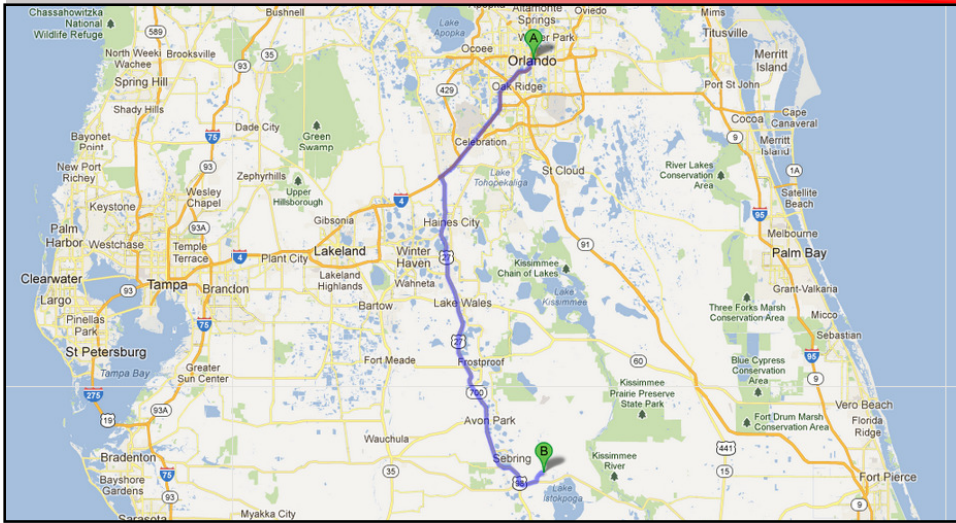

Rule changes must be submitted NO LATER than the October General Meeting. The rules will then be discussed after the November General Meeting. Any rule changes, additions or deletions will be voted on after the December General Meeting. If you want to have input on any potential rule changes, make sure you get to these General Meetings.

In addition, it is time to start thinking about nominations for the 2014 Executive Board. If you would like to serve, have someone nominate you. Or, if you want to throw someone else under the bus, I, um, mean, give another Active Member the awesome opportunity to serve on the Executive Board, don't bother checking with him/her first, just surprise the lucky dog with a nomination! The only stipulations are that the nominee has to be an Active Member in good standing, and only a past or present Executive Board member can be nominated for President. All other positions are free for the taking. As someone who has served on the Executive Board I can tell you, first hand, that it is a rewarding experience, as well as the single best way to make sure that the club you love so much continues to be the best it can possibly be. If you have never served on the Board before, step up! New ideas and a new perspective are what has kept this club going strong for the past 53 years. And, those Board meetings can be a ton of fun! Don't delay, sign up today! Or tomorrow.

FLORIDA STATE CHAMPIONSHIPS

This year MSCC is hosting the Florida State Autocross Championships. The event will take place Saturday and Sunday, October 5 and 6, 2013 at Sebring. The cost will be \$35 for the practice day on Saturday and \$65.00 for the competition day on Sunday. Stay tuned for more details. Make your plans and hotel reservations now! The club is actually in need of some help in coordinating and running the event, so if you would like to be a part of history, and help out, please contact any member of the Executive Board - email addresses for each board member can be found on page 2 of every Pit Patter.

Directions to Sebring Raceway, located at 113 Midway Drive:

From the Orlando area, take I-4 West and take Exit 55/US 27 South towards Haines City. Go just over 61 miles south on US 27 and turn left on US 98. Go 3.3 miles and turn left onto Haywood Taylor Boulevard. Go 1.2 miles and turn right onto Midway Drive.
