# DECEMBER MEETING MINUTES

Martin Sports Car Club  
General Meeting Minutes  
Thursday, December 5, 2013

Meeting Called to Order: 7:35 p.m. by **Mickey Gauldin**.

Everyone receive a Pit Patter this month? Almost everyone; others received a copy at the meeting.

Motion was made and seconded to approve November general meeting minutes. All approved.

## VP Report – Mikael Edstrom

No safety issues at Mini Prix. There were some issues with keeping drivers (including the course designer) on course.

## Treasurer – Ben Turner

Equipment purchases and several other end-of-year expenses have reduced the club's bank account, though it's still in the black.

## Secretary – Kim DeBower

Verified that all 27 attendees got checked off the meeting roster.

## Events Report – Steve Pierce

November 3 Mini Pix event at Orange County Convention Center attracted 72 drivers. **John Giddens** edged **Leland Giddens** for TTD for fendered cars

December 8 pointless event hosts are **Tom McDonald**, **Scott Swartz** and **Bob Blucher**

First event of 2014 is January 12 at Lake County Tech Center.

## Old Business

**Matt Ferratusco** reported that the November 17 autocross school at LCTC was quite successful. Fifteen of the 20 students were MSCC members. Big props to Leland Giddens as a first-time instructor

The following rules changes for 2014 were voted in:

**107% Rule** — Eliminated the novice eligibility requirement from the 107% Rule. Any driver with a fastest raw time that exceeds 107% of the fastest driver in the class will be excluded from adding tiger points for the class win

**Addition to Rule 7.6** — The Board, in its sole judgment, has the right to stop a vehicle from further participation in an event and refund the participant's entry fee if their vehicle exceeds the sound limit based on either a) the exceeded sound limit jeopardizes the use of the event site for future events, or b) the exceeded sound limit creates an event or personal safety issue

**Helmets** — Require only Snell-approved helmets with the current or two previous ratings. Both SA and M helmets or their equivalent are allowed. Documentation showing the helmet's equivalency must be presented. Annual tech for helmets will be available.

# DECEMBER MEETING MINUTES

## New Business

Voted to the 2014 Executive Board were:

- \* President: Mickey Gauldin \* Vice President: Mikael Edstrom
- \* Treasurer: Ben Turner \* Secretary: **Troy Watters**
- \* Events Director: **Zane Plumley**

Appointed to 2014 volunteer positions were:

- \* Tech: **Kevin Spence** & Bob Blucher \* Registrar: **Robert Belvoir**
- \* Photographers: **Kevin Abel** and **Ryan Speaks**
- \* Equipment Manager: **Don Hosler** \* Trophies: Don Hosler & **Karlene Hartin**
- \* Timing and Pit Patter Apprentice: **Don Cross**

- **Travis Turner** requested an apprentice volunteer to train to help with the club website. If interested, please contact Travis
- MSCC has secured the OCCC site for Sunday, February 2. An invitation has been extended to the Porsche club to join us for that competition event
- Rental fees at LCTC will double in 2014 to \$600 per day. This is the same fee the club now pays to rent OCCC. This will result in an increase in entry fees for 2014 LCTC events. More to come
- The Treasurer reported on the club's business and tax status. To avoid paying income tax on entry fees, MSCC will need to dissolve its LLC designation and become a tax-exempt 5013c charitable organization instead. Doing so will require a re-wording of the club's by-laws in 2014. More to come  
The Executive Board offered the possibility of presenting Olympic-style medals as trophies for class wins at 2014 race events. Samples will be secured.

## New members

**Michael Tomich** decided to beat the holiday rush and apply for 2014 membership. This forthright and forward thinking was duly rewarded and he was welcomed aboard.

## 50/50 drawing

Won by **Sean Monett**

## Swap Time

Mikael Edstrom reported that a local tire shop has some hard-to-find 18" tires for sale. Contact Mikael for details

**Karel Schneider** has some 13 x 7.5 Lenso wheels to sell for \$100 each.

## Upcoming Meeting

Next general meeting is **Thursday, January 2, 2014**. Location TBD.

Regular Meeting Adjourned: 9:16 p.m. by Mickey Gauldin.

Members in Attendance: B. Abbott, P. & R. Belvoir, B. Blucher, G. Bonilla, D. Cross, K. DeBower, M. Edstrom, M. Ferratusco, J. & M. Gauldin, D. & J. Giddens, D. Hosler, T. McDonald, S. Monett, S. ## STUFF YOU SHOULD KNOW

### A Few Words From the Chief

2013 is over and it was a busy year. There were significant accomplishments but it was only through the hard work of many individuals. My thanks to an outstanding group of individuals, the 2013 Board: Mikael Edstrom (Vice-President), Kim DeBower (Secretary), Ben Turner (Treasurer) and Steve Pierce (Events Director). My gratitude also goes to all the members and volunteers whose efforts made 2013 such a success. I would name them all but that would take more pages than the Pit Patter allows!

Hopefully, 2014 will not have as many challenges as 2013 but I am sure there will still be plenty of opportunities! We will miss our departing Board members Kim DeBower and Steve Pierce. Their dedication, commitment and efforts were critical to the success we experienced last year. Our new Board members Troy Watters (Secretary) and Zane Plumley (Events Director) have hit the ground running and are ready to tackle the New Year.

I never cease to be impressed and amazed by this club and its members. Our members are very diverse in their vocations, personalities and life styles yet we all share that common passion "racing." I raise my glass to toast you all and wish each of you a happy, healthy and successful New Year.

Mickey Gauldin  
2014 MSCC President

We race at Lake County Technical Center. Duh! But did you know that their technical school produces highly-sought technicians in vehicle repair and paint and body work? And the rates are extremely reasonable. The next time you need vehicle painting or body work done, swing by Lake Tech for an estimate to see how much you could save. Want to sample some of their handywork? Take a look at Mickey Gauldin's MR2 - Lake County Technical Center did the work!

Congratulations to our 2013 champions!

By Michelle N. Mann

Christmas is the season for giving and sharing. We MSCC members demonstrate our Christmas spirit at the annual pointless event each December, where we share our autocross machinery with fellow drivers. After a year of chasing championships, the December event is a chance for us to try different cars. Mere hours after our lavish awards banquet, we gathered at LCTC on a cold warm winter's morning to cap 2013 with the bang of engine backfires and the squeal of tires. Our last playground of the year was sketched by Scott Swartz, while Tom McDonald shared hosting duties and 69 other drivers shared in the fun. That's enough sharing to make Congress pass a new tax on giving!

Speaking of giving, the pointless event has given us bamboozled event results before, and this year shares in the tradition. The final results generated immediately after the event and used for the trophy presentation showed Catherine Bavetta in the final trophy spot in the 16-car Novice class with a 55.xxx, but the *final* final results seem to have lost her fastest run. The 4<sup>th</sup> and 5<sup>th</sup> place spots were taken by a pair of drivers who share a last name, while the class was won by a driver who had no intention of sharing victory. George Ghorayeb, driving brother Salim's Subaru STi, won his "first" autocross by over 3 seconds! Congrats George, now you get to share regular classing with all of us.

There was plenty of sharing in SS and BS. Though Aaron Stogsdill wasn't sharing his SS class championship with anyone, his classmate David Corda shared his Dodge Viper with Bobby Bluche, who gave instruction in return for a shot of venom for one of his 5 runs. Meanwhile, Bob needed only 4 runs in his own car to win BS. In 2<sup>nd</sup> was Salim Ghorayeb, who as previously mentioned graciously shared his car with his brother.

In CS, event hosts Scott Swartz and Tom McD swapped Miatas a time or two, and I shared Me-ata with Kevin Spence. This was Kevin's first time autocrossing anything beside his own BMW, but the only challenge he found was getting by with less than half the horsepower! Mr. Smooth quickly learned how to make a slow car go fast, finishing 2<sup>nd</sup> ahead of Scott. After 2 runs in class, I opted to wheel Leland Giddens's's's turbo Miata in SMST a couple times and Mickey Gauldin's MR2 in SSM for my final run, and easily had the most fun I've had all year!

10 The Christmas spirit was jingling in GS where Ian Adams and

## RACE REPORT

Justin Nordine shared a Ford Fiesta ST, and in CP where a pair of drivers shared a first AND last name AND a car. Au share mon frère! Meanwhile Don Hosler shared his 1970 Camaro only with onlookers who enjoyed the sight of the classic car on the autocross course, en route to CP victory. Zane Plumley, fresh off a victory in the Events Director election, shared the heck out of his Audi TT by letting Nikki McLeod drive it in Novice.

Ishaan Tailor was the Grinch who stole STR, unwilling to share the opportunity for the class win at any point in the day. David Farrar loudly proclaimed his Christmas spirit by sharing his S2000 with Todd Kaley, who then loudly proclaimed *his* Christmas spirit by giving himself the gift of 2<sup>nd</sup> place over the car owner, fists pumping as he sealed the deal on his final trip across the finish line.

Chris Hammer shared his sleigh with two other drivers....Jason Chonody in the same class, and Deanna Daris in Novice. That's some big-time sharing, and for his goodwill toward autocrossers he received the STX win.

SMST2 was busting at the seams with sharing, with five drivers sharing four cars and two last names! There were three different Giddens and three different cars, with two of them driving all three cars, one driving one, and a non-Giddens driving a Giddens car. Got that? Good. There was also a pair of Schneiders sharing a car. Leland spun a run in his turbo Miata, then clicked off a couple quick times in John's turbo Miata, then flogged Dawn's Benzie once and finished his day back in his own car. His quick run in dad's Miata would stand as the class winning time, while John finished .25 seconds behind in 2<sup>nd</sup> place. Karel and Travis waged their usual war and swapped the lead a few times. After three runs Karel held the interfamily lead in one hand and his 2013 Tiger Championship trophy in the other, but Travis decided it was time to take dad down and demote him to 4<sup>th</sup> place. Richard Thackway snuck in the back way to a quiet 5<sup>th</sup> place finish.

The sharing continued in SMST4 as Eddie Matias shared his car with Jarrett Desmond. Jarrett came close to beating Eddie but fell just short.

And that's how the sun set on the 2013 season. Congratulations to all who won, all who spun, and all who had fun. Have a Merry Christmas and a Happy New Year!

That's a wrap!
