# GHOSTS OF MINI-PRIX PAST

## DECISIONS DECISIONS

It is time to start thinking about rule changes, Execute Board nominations and how much cash you are going to give to the Pit Patter editor at Christmas for all of his hard work this year (just send large sums of cash to my Paypal account: my email address is on page 2!).

### REMINDER!

Rule changes and new rule submissions must be presented to Vice President Mikael Edstrom, in writing, at least one day before the October General Meeting. He will accept rule submissions via email, but rules discussed on the forum **DO NOT COUNT**. If there is a rule you do not like, a rule we do not have that you think we should consider, or a rule we have that could use some tweaking, now is your opportunity to turn your rule dream into a reality.

Rule changes must be submitted **PRIOR** to the October General Meeting. The rules will then be discussed after the November General Meeting. Any rule changes, additions or deletions will be voted on after the December General Meeting. If you want to have input on any potential rule changes make sure you attend these meetings.

It is also time to start thinking about nominations for the 2015 Executive Board. Keep in mind that a nominee for a board position must be an Active Member in good standing. In addition, only a past or present Executive Board member can be nominated for President. All other board positions are open to any Active Member in good standing.
