ALERT! ALERT!

It is time to start thinking about rule changes, Executive Board nominations and how much cash you are going to give to the Pit Patter editor at Christmas for all of his hard work this year (just send large sums of cash to my Paypal account.

REMINDER!

Rule changes and new rule submissions must be presented to Vice President Mikael Edstrom, in writing, at least one day before the October General Meeting. He will accept rule submissions via email, but rules discussed on the forum DO NOT COUNT. If there is a rule you do not like, a rule we do not have that you think we should consider, or a rule we have that could use some tweaking, now is your opportunity to turn your rule dream into a reality.

Rule changes must be submitted PRIOR to the October General Meeting. The rules will then be discussed after the November General Meeting. Any rule changes, additions or deletions will be voted on after the December General Meeting. If you want to have your voice heard make sure you attend these meetings. It is also time to start thinking about nominations for the 2016 Executive Board. Keep in mind that a nominee for a board position must be an Active Member in good standing. In addition, only a past or present Executive Board member can be nominated for President. All other board positions are open to any Active Member in good standing.

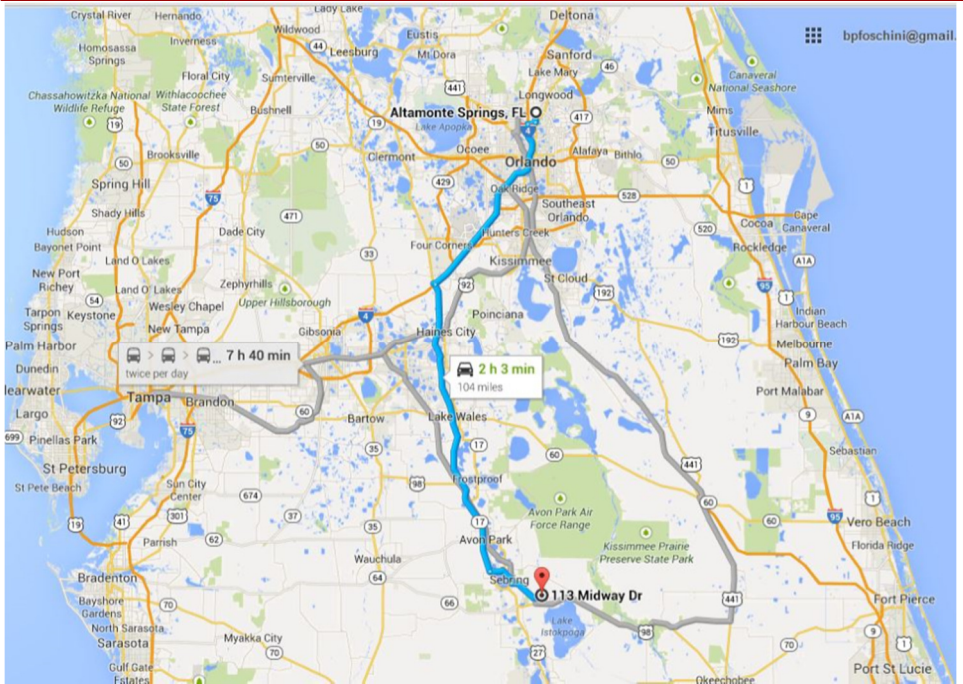

Hear ye! Hear ye!

Due to the September event being rescheduled to October - thereby resulting in 2 October events, there will be no time to put a Pit Patter together in between the "September" event and the actual October event.

What does this mean?

It means that, instead of a double issue following the September event there will be a double issue following the official October event (unless another unforeseen circumstance occurs).

“REGULAR” OCTOBER EVENT @ SEBRING

2 Events in October!

The 2015 Fall Mini-Prix will take place at world famous Sebring Raceway, located in, you guessed it, Sebring, FL.

This is technically event #10 on the Tiger World Championship schedule, but will actually take place before the rescheduled event #9 (see page 3).

Sebring is located approximately 2 hours south of Orlando, or just over an hour if your name is Ian Stewart. Take I-4 to US 27 South for about 53 miles, then turn left onto Sebring Pkwy, go about 5 miles and turn left onto Kenilworth Blvd/Airport Rd, which will merge into Haywood Taylor Blvd about 5 miles later and you will find yourself at the entrance. Look for the MSCC trailer and make your way in that direction.
