RACE REPORT

Race Report — **May 8, 2016 Lake Tech**

48 timed entries were completed on a short course with good overlap. This resulted in 10 runs for each competitor. The hot sun beat down on the cars and course all day, but with so many runs to be had very few would be complaining about the heat.

The track layout was short and fast with a small overlap. Heading out of the gate a sharp left then right into the crossover. From there a sweeping right and small slalom before another right to head through the crossover a second time. A left, a lane change, 90 degree left before a sharp lane change before hitting the finish.

Ryan Speaks was on top with the top time of day of 24.814 in his 2005 Subaru STi. Next up was Harry Corbin ran a 25.580, also in an 2005 Subaru STi. Third place overall was Nate Adair at 25.609 in his 2014 Subaru STi. Fourth place was held by Don Hosler in his 2002 Corvette at 26.343. John Giddens rounded out the top 5 in his 2004 Mazda Miata with a time of 26.577.

22 trophies were handed out among the 48 drivers. Among the 19 classes that racers entered in for the day, 6 only had one driver in them, and 5 had two drivers. For the other classes Don Hosler led the pack in A Street with his time of 6.343. B Street was won by Ian Collins with his time of 26.757. C Street top time went to Cliff Bordwell at 26.776. Street Touring FWD had Mikael Edstrom on the top of the board with 28.706. Ryan Speaks led SMST4 with his top time of day run of 24.814. Trevor Wells was the fastest among the Junior Karts at 33.378. And finally at the top of the Novice class was Stephanie McDonald with a very fast time of 27.977. It's worth noting that Stephanie's time was fast enough to be 19th overall for the day.

Next month Martin is headed to The FIRM for the first of two points events at the facility in 2016.
