## RACE REPORT

### Race Report MSCC @The FIRM June 11, 2016

Martin's first 2016 trip to the Florida International Rally & Motorsport Park was certainly a memorable one! The course was long and technical, and included everything you would expect from an expertly designed autocross course set up on a dedicated racing circuit. The rain stayed away, and the sun baked both the competitors, and their tires.

The course was 0.8 miles long, an out and back loop around the West Loop circuit, and we included the shoebox run on the back straight with elevation change "jump". Out of the gate was an immediate hard left to enter onto the course, after a lane change through a slight uphill right, then another loose right and left to enter the slalom. Exiting the slalom was a right hander that led into a series of lane changes before a very tight almost hairpin right, then a 90 degree right heading into the shoebox part of the course. A 90 degree left put you on course for the "jump" which headed into a hard brake left and then right turn to exit the shoebox and get back on the back straight of the course. Ahead of you lay a Chicago box followed by a lane change pair of gates heading into the finish. The layout was fast and fun, with just the right combination of technical bits and high speed turns.

64 racers turned in times in 24 different classes at The FIRM. Top time of day David Fleisher at 57.541 in his 1988 Van Diemen. Second place was Jay Stannard in his 1969 Lotus 61J with a time of 59.439, followed up by Chris Larson at 60.241 in his 2000 Honda S2000, JG Pasterjak was in fourth with a time of 60.268 in his 2012 Ford Mustang, and rounding out the top 5 was Nate Adair in his 2014 Subaru STI with a time of 60.937.

Top class leading results for classes with more than two competitors: A Street: Trent Ksionek in his 2016 Porsche Carrera GTS with a time of 61.493, B Street: Don Wright turned in a time of 63.106 in his 2006 BMW Z4, C Street: Travis Turner running in a 2015 Scion FRS at 64.799, G Street: TC Cunha ran 71.716 in a 1999 Ford Mustang, Street Touring FWD: Mikael Edstrom at 67.544 in the 2013 Fiat 500, Street Touring Xtreme: David Lineberry in his 2013 Subaru BRZ at 61.997, Street Touring Roadster: Tristan James in a 2006 Mazda MX-5 at 61.199, Street Touring Ultimate: Hasan Schwandes ran 64.669 in the 2007 Subaru STI, C Street Prepared: Adam Kutchak in a 1997 Mazda Miata ran 65.070, Street Modified Street Tire 4WD: Nate Adair as mentioned above led his class and was top 5 for the day. And finally the Novice class: 8 drivers competed in Novice for this event, the top time was Ross Trumble in his 2006 Honda S2000 at 66.556.

This was the first of two events that are scheduled to take place at the FIRM in 2016, the next one being in November, here's hoping it will be a little cooler by then! The next 3 events are at our home in Lake Tech on July 10th, August 14th, and September 11th. ~See you there!
