Race Report March 12th, 2017 - The Day It Didn't Rain

It was dark when the hosts and first racers starting arriving at Lake Tech on March 12th, thanks to daylight savings time, where did that hour of sleep go? The threat of a rainy day kept some people away, but despite a gloomy forecast we managed to get the full event in, with 6 runs each, and only the last couple of runs were made in moist conditions. In total there were 84 timed entries and 24 Novices at the event.

Speaking of moist conditions, the top time of day was set by Justin MacDonald on his last run, and one of the last runs of the day, in light rain! Justin crossed the line with the time of 37.759 in his 2005 Subaru STi, edging out George Bonafede by only 0.093 seconds for the top spot. George's official time in his 2016 STR prepared MX-5 was 37.852. Just like Justin it was one of the last runs of the day, and the conditions were a moist track, proving it doesn't always have to be completely dry to run the fast times. Third place overall was Leeland Giddens in a 1993 FD Mazda RX-7 at 38.152, fourth was John Giddens in the 2004 Mazda Miata at 38.297, and Nate Adair rounded out the top 5 in his 2014 Subaru STi with a time of 38.923. It's worth pointing out that the top 20 times were separated by only 2.864 seconds.

Just like the February event the class with the most competitors, other than Novice, was STR with 8 entries. As mentioned above George Bonafede took home first place in that class, followed once again by yours truly, Erik Mayer, but not nearly as closely contended as it was the month before. Clinton Bailiff was number 1 in the large Novice class with a time of 41.783 in his 2016 Focus RS. Other notable classes were B Street with 5 racers, led by James Sauceman in his 2017 Subaru STi with a time of 39.972, which was 11th overall just missing the top 10; E Street had 4 competitors, won by Scott Swartz in his 1999 Miata at 41.253; and STS also had 4 racers led by Jessica Tooley in her 1991 Miata, Umi, with a time of 44.448.

The next event will again be at our home turf, Lake Tech, on April 9th, see you there!
