- Blast will be sent out to the membership to ask for digital or printed options for distribution beginning with the June edition.
- Blast will be sent out asking membership for Lava Bowl t-shirt designs (it might be in the same blast as the digital patter, especially if I wait until 2 weeks from now to send it...)

Mr. President – Zane Plumley

- “We are an awesome club”
- General Meeting locations – no more Perkins please
 - ◇ Car Dealerships need more time for corporate approval
 - ◇ Classic Mazda super interested, but they have construction running into the latter half of the year
- New venues
 - ◇ Gainesville, \$2500/ day and we need \$2,000,000 insurance, unknown status of getting this venue
 - ◇ Winter Garden – G. Bonafede and I will be meeting with them
 - ◇ Lake Square Mall parking lot – via Lake County Sheriff's Dept.

MEETING MINUTES

- Mickey is a god of timing equipment:
 - ◇ We have possible 4 T-links that need to be worked on by Race America: Two T1's (possible a third) and 1 T2 T-link, The SCCA T links need to be upgraded with Lithium-ion to match MSCC ones.
 - ◆ \$189 for Race America to diagnose issue, then parts.
 - ◆ Possible cost to the club is over \$209 each (TTL \$1000+)
 - ⇒ **CLUB VOTE TO REPAIR: APPROVED!**
 - ◇ AC4 (Original to MSCC)
 - ◆ Version is so old that Race America can't even fix it.
 - ◆ Instead of getting a repair, Race America will accept it for a trade on a new one. Saving us about \$400. (purchase for \$649)
 - ◆ We have two working ones already, if using a two-course layout, a third unit may come in handy. (Sheriffs Event, AND State Champs!!!)
 - ⇒ **CLUB VOTE TO REPLACE: APPROVED!**

New Business

- Clean out of the MSCC trailer, clean and sort out damaged cones for replacement

New Members?

- Heather O'Hamill sent in via email to Zane, approved by club vote
- Mike Mincey was at the meeting! Good to see him back!

RACE REPORT

Race Report—May 14th, Mothers' Day 2017

By the numbers: We had 77 Drivers, with 5 runs each. The first car out at 9:56am, last car at 1:55pm. There were 15 novices, placed in two of the three heats. There were 29 more drivers than last year which raised average, still 15 more than average, but of course that doesn't tell the whole story. The course was tight in some places, and wide open in others. The drivers with the top times were able to tame their cars, and their tires, around the tight bits to take home the fastest times.

After a fierce battle in the first heat between Justin McDonald, Nate Adair, and Robert Palmblad trading the top spot several times, Justin came out on top once again by a mere 0.025 seconds with a time of 38.804! He and his car are truly a force to be reckoned with! At one point during the heat his lead was only one thousandth of a second over Nate, ONE THOUSANDTH! During the second heat Cliff Bordwell showed everyone that the tight course was no match for his Viper, and it's Hoosiers, setting a time of 38.869, which gave him 3rd overall, and George Bonafede demonstrated the superiority of the ND MX-5 chassis, and his driving skills, turning in a time of 38.980, locking in 4th place overall. Robert's time of 39.181 in his SMST2 modified MX-5 landed him in 5th place at the end of the day. The top 5 cars were separated by only 0.377 seconds, the top 3 by only 0.065 seconds! Great battles all around all day for sure.

Another notable finish came from Philip Petrie in a borrowed 2000 Toyota MR2. After having 4 runs with cones and off-course excursions, he turned in a time of 40.733. This snatched the top spot in ES away from Scott Swartz on the final run of the day, his run was 1.327 seconds faster than Scott's. Philip also claimed the top time of day in PAX with his run.

The next event will be on June 11th, back at Lake Tech. The 2 events following in July and August will be held at OCCC, and together are being called the Lava Bowl. Can you and your car survive the heat to bring home a top time? The only way to find out is to race! See you there!
