RACE REPORT

Race Report— Points Event #6 ~ June 11th, 2017

By the numbers we had 81 drivers, 17 more than last year, and 13.4 more than the average. Each driver got 5 runs each on a nice fast course. There were 27 classes, 12 one car classes, and 7 classes with 5 or more drivers, 15 novices. The course was designed by Junej Thompson with the assistance of the other hosts, and inputs from the membership, and some opinions on the internet. The course was very fast with a double loop that tripped up even the most experienced of autocrossers.

For the first time since February we had a new top time of day champion, Robert Palmblad was able to dethrone Justin McDonald. (sorry Justin) Robert drove his SMST2 NC1 Miata to a fastest time of 36.833 seconds. Following Robert was Cliff Bordwell in is SSR Viper 37.588. Third and fourth places were captured by Leland and John Giddens in their family race car, the SMST2 1993 Mazda RX-7. We have to travel all the way to 5th place to find the first all-wheel drive car, Mr. Vice President Nate Adair piloting his SMST4 2014 Subaru STI to a time of 37.833. Only 1 second separated 1st from 5th, and John Giddens was a mere 0.029 seconds faster than Nate.

Battles were fierce and frequent throughout the day among the different classes. Don Hosler was fastest in AS in his 2002 Corvette with a time of 38.599. Philip Petrie won ES in a 1996 Miata with a time of 40.107. George Bonafede continued his domination of STR, taking home his 6th win in as many races this year with a time of 37.876 in the unstoppable 2016 Miata. Carlos Dejesus took home top time in ASP driving a 2015 Mitsubishi EVO X at 39.345. Chris Schneider was fastest in SM in his 2013 BRZ with a time of 39.782. Lastly Gerardo Perez was the fastest Novice racing his 2014 Focus ST to a time of 41.371.

The July 9th and August 6th events are the two big ones, Orange County Convention Center back-to-back double header in the hottest part of the year, The Lava Bowl. Special trophies and awards will be given out for top finishers in the combined events. Event T-shirts are available to those who register for the first event. Due to the nature of OCCC events pre-registration and pre-payment are required! See you there!
