- Justin McDonald the day after Mickey’s engine explosion: Justin’s instructor had him using a different line, which resulted in him having a bit of a spin cycle, he blames the oil slick
- Karel went back to The FIRM, discovered he had been running on corded tires
- Mike Mincey has sold the Focus, he’s looking at getting a Mini Cooper, perhaps STF championship in his future

VOLUNTEERING

The December meeting is when it all goes down: voting on rule changes and/or rule proposals, voting for the executive board positions for the 2018 race year, as well as stepping up and filling in the various positions that keep the club running. If you have never held a volunteer position with the club before, we encourage you do to so. Fresh ideas from folks new to the club is what keeps this club humming along after 55+ years. It is also what makes this more than a racing club, it is a racing family. So take the plunge and volunteer - you'll be glad you did. And, there is always a veteran club member around to assist if you need a little help.

OPEN volunteer positions include:

**Timing & Equipment
Chief of Tech
Novice Instructor
Insurance Waivers
Photographer(s)
Registrar(s)
Trophies
Tiger Points**

TIGER POINTS

Speaking of—

Withholding the Tiger Points standings from the Pit Patter at the end of each year is also something we like to do as a tiny effort to preserve the anticipation of the Awards Banquet. It is a tradition that dates back to ancient Roman times, or even earlier. Final results will be announced December 9th, 2017 at the Awards Banquet, and published in detail (with photos!) in the January 2018 Pit Patter.

RACE REPORT

Starke, Florida. When I think of Starke, I think of electricity. Partially because of the nearby State Prison. But, also because of the Florida International Rally & Motorsports Park (aka, The FIRM)!

As was the case last year, The Firm played host to the penultimate points event of the Martin Sports Car Club's 2017 season. On the surface, this season looked to be a lock for reigning and defending Tiger Points Champion, George Bonafede (2016 MX-5 – STR Class). George drew out a points lead in the first couple of events, and continued to hold that lead throughout the season. However, Justin McDonald (2005 Subaru STI – SMST4 Class) quietly worked his way up the points ladder. Justin started the season in the middle of the top 10 and ended up in 2nd by the September event – within striking distance of George. Coming into The Firm, George continued to hold the lead, but Justin still had a mathematical shot to upset The Champ.

By the numbers, we had 96 entries. That enabled us to have 3 groups with 5 runs each.

The course layout was a fast one, utilizing a clockwise lap around the track. The highlights of this course were the very fast backstraight slalom, as well as the “Eau Rouge-esque” uphill S-curve in the beginning of the lap. How fast was the backstraight, you may ask? Well, several folks were grabbing 3rd gear for the first time all season... very fast, indeed. Prior to the backstraight, the “Eau Rouge” portion was partially blind as you crested the hill - which forced the driver to trust their judgement and suspend their belief in quick-forming sinkholes. More than a couple folks wound up taking a stroll through the sandy area to the left of the track.

With this being the big season finale, many high profile drivers and cars were in attendance. 2017 National STR Champ Ian Stewart co drove with Ed Vogt in their championship winning ND Miata, David Corda brought his gorgeous McLaren 570S, and Josh Wheeler showed us what he and his 2013 GT-R could do around the big track. We also had J.G. Pasterjack rockin' the mic and driving the wheels off of GRMS Magazine's new C5Z project car.

There were several close battles among the classes. In STX, Chris Schneider waited until his last run to take first place from Nathan Duby by 0.433s. Greg Shumaker asserted himself as the top dog in A Street over Justin Huepenbecker by 0.739s. Our closest battle belonged to our young Junior Karters, with Cassie Plumley edging out Emma Plumley and Trevor Wells by only 0.231s and 0.787s, respectively!

Top Time of Day went to David Flesher in his C Modified Van Diemen RF88, setting a rippin' 54.816 second pass. Top PAX time went to Steven Hughes in a “Lame” B Street Ford Focus. Didn't seem that lame on the track...

Honorable mention goes to Anthony Rolston in his H Street winning 2013 Mazda 2. Anthony's enthusiasm was unmatched (a close second was Bob Blucher). He was also quite possibly the happiest person I've ever seen... ever.

Now, on to the Martin Awards Banquet, where the 2017 Tiger champion will be crowned. Did George do enough to hold Justin off and go back-to-back? We all look forward to finding out!
