THANK YOU

To **ALL** Martin Sports Car Club Members,

It's not too often that I'm at a loss for words. However, at the Awards Banquet, the Club presented me with the Hall of Fame Award. If you were there, you probably noticed my surprised expression. After Zane presented the award he asked if I had any thing I would like to say to the crowd. I declined because any words coming out of my mouth would not make any sense.

However, in hindsight, I should have said a few words that expressed my gratitude. Something like this:

"Thank you. I am truly honored to receive such a special award and I am humbled by it. I believe I'm only the 3rd recipient of this award. Don Hosler and the late Robert Belvoir are the only other two to have received this distinguished award. I feel honored to be a part of such an elite group of great drivers. Of course it makes me feel really old at this point.

First and foremost I have to thank my wife, Kim, for allowing me to be a part of this club for so long. She has been with me since I first started and still puts up with me because she knows how much fun I have. My son, Trevor, who has been coming out to just about every event since a couple months after he was born and now he is racing with 2 championships to his credit. Yeah I'm a proud dad! My mom, Barb, who has always supported me and comes out to every event to cheer me and her grandson on.

Thanks to all the MSCC members past & present. You are all part of my extended family and make this club incredibly special. Some of my best friends I met because of this club (you know who you are). To my competitors for pushing me to become a better driver.

I look forward to continue being a member this club for years to come.

RACE REPORT

Congratulations! You made it to the end of the Pit Patter! Your reward? Another riveting Race Report!!! As I was unable to attend this month's event, consider this to be your number one source of second-hand information by a third-rate writer! We at the MSCC provide only the bestest.

Speaking of bestest, let's start with a quick correction. The 2016 Tiger Champion was, in fact, Mikael Edstrom and NOT George Bonafede! My Facebook research proved shabby and incorrect. Many thanks to Mikael for being humble and understanding about my blunder. Having said that, your NEW and UNDISPUTED 2017 TIGER POINTS CHAMPION is... George Bonafede! That's right... I'm not wrong this time (I think)! It was an incredibly close battle between George and Justin MacDonald, which came down to ONE SINGLE POINT at the FIRM! Congrats to George on sealing the deal and great work by Justin to make it a trilling end to the 2017 season!

Now on to December's Pointless Event, which was held at our home base – The Lake Tech Institute of Public Safety Weapons and Driving Range, or the LTIPSWDR, for short. By the numbers, we had 93 entries. That allowed us to run 3 run groups with 5 runs each. Of special note, this was a novice-heavy event, with 20 newbies trying their hand at cone dodging! It's great to see new faces and new cars on track! The course layout involved a double-loop design with some nice open areas to let 'er rip, along with some deceptively tight corners in the low-grip sections of the asphalt. Based on what I've been told, along with what I've seen in uploaded YouTube videos, spins were had by some.

In-class battles were hair-raising! In B Street, Dat Nguyen and his 2007 MX-5 edged out John Walsh in his 2017 Focus RS by 0.199 seconds. Trevor Renson took top honors in a big STX field by gapping Robert Permenter by 0.368 seconds, in Robert's own 2014 Civic Si! And on the subject of people being beaten by their own car, our club VP Nate Adair claimed the number one spot in STR with Kevin Madyda's 99 MX-5, thereby relegating Kevin to second place by 0.202 seconds. The closest battle, however, went to Philip Petrie, who outpaced Loren Williams by a mere 0.037 seconds! And, as per the pattern of the day, Philip did it in Loren's hotrod 2015 Mitsubishi Mirage!

Other notables are Travis Turner, who ran a 1997 Nissan Hardbody pickup, because why not. Adam Severinsen broke into the top 20 in raw times for the first time ever with his 2012 Volk-swag-en AWD blitzkrieg-machine. Pit Patter Editor Jessica Tooley and Club Secretary Erik Mayer got to drive a fast kart (sometimes backwards) thanks our President, Zane Plumley, and his DR Evo 2. Randy Watt took top prize in the Novice class with his Porsche 911 - which means he ain't no Novice no more! Ryan McConville took his G Street 2013 Ford Focus to the top of the charts in PAX, and Stephanie MacDonald showed the guys what's up by taking 3rd in overall raw time in her (and Justin's) 2005 WRX STI.

A special high-five goes to Brent Allen, who managed to muscle his muscle car, a 2013 Mustang GT500 convertible, around the course in a shockingly fast 42.151 seconds! That time put him 18th overall in raw time, 17th in PAX, and ahead of some serious autocross machinery! Considering he's driving a 4,000 lb+ machine, that's much better known for going straight (insert Mustang/crowd joke here), he should be quite proud. Rumor has it the mighty Bob Blucher (Top Time of the Day winner and recent Ben Yu Award Recipient) may have given some pointers.

Now we shuffle on to the next event and the start of a new 2018 points season! Our January event will be back at Lake Tech and I will actually be there to provide FIRST hand, third-rate coverage! See you then!
