Meeting Minutes

Old Business

- Equipment Update - Mickey Gauldin
 - Mickey has the flu :-)
 - Race America equipment, sent back 4 t-links, one has bad switch, others have bad sensor. One of the units we had to send back was from Skippy equipment purchase
- Trailer Update
 - Mikael has been going back and forth with several dealers to get quotes and construction materials
 - Best price so far is from a dealership in Gainesville
 - Potential trailer delivered should come in around \$12,500
- 2019 Race Schedule is booked at LTC!

New Business

- Apparently there wasn't any because Erik in the past didn't type anything here ;-)

Member Stories

- Erik was reacquainted with a former love, his old MS6 at the last Orlando Roadsters Meet. He traded it in almost 3 years ago at a dealer in Venice, FL. He was very happy to see his old car, and dumbfounded by the odds of running into it again.
- Shane Brown took a trip with Mike Smith to NC/TN for a Miata meet in the mountains. They spent three days driving around the mountains with 18 other cars and had a really great time, phenomenal experience with the group and the people that were there.
- Brandon D changed his transmission!

Swap Time

- None—Karel was not in attendance

Race Report BY Juney Thompson

Some fool once said, "April showers bring May flowers". What an idiot. April showers just bring more May showers! And May showers bring... a special Cancelled-For-Weather-But-Made-Up-For-It-a-Week-Later Race Report!!!

What am I rambling on about? Well, in a rare occurrence, the original date for our May event had to be cancelled due to a forecast of thunderstorms and lightning (very, very frightening). It was a lose-lose situation for our board and a tough decision was made. BUT! We made up for it by having the event the following week on Mother's Day. All of this certainly caused various forms of rabble from folks. But hey, life is weird sometimes.

By the numbers, we had 43 entries – certainly not what we're used to nowadays but still a good crowd! We ended up having 6 runs each in rain-free conditions!

The course was a beauty! It was designed by Bob Blucher with Ian Collins providing some quality naming of the corners. It had everything a proper course should have – a hammerhead, a followthrough, AND a slip and slide! Of special note, the course ended with a very cool NASCAR-style oval loop. Think Martinsville but smaller. The course seemed to fair well for the more agile machinery, with several ST cars placing in the top ten in raw time.

And due to the shaken up event date, Ryan "He who shall not be named" Speaks was not in attendance to continue his unrelenting strangle hold on Top Time of the Day! In Ryan's absence, a new challenger appeared. And that challenger is a young lady who is not yet old enough to drive a car. More on her later. The TTD podium was rounded out by John Giddens (2004 Miata) and the aforementioned Bob "Viet-Stig" Blucher (in Harry's 2005 Subie STi).

Notable in-class happenings:

- A-a-Ron Stogsdill took the win in AS, which was sans our current Tiger Champ, George Bonafede—who attempted to move the event from Mother's Day this year only to have it rescheduled for his favorite holiday.
- Erik Mayer needed a tire warmer to win STR over Kevin Madyda by 0.455 seconds!
- Eric Leitzke only needed 3 wheels to snag top honors in GS by 0.864 seconds over Darren Schneider. Side note – Eric and Darren grabbed second and third in PAX!
- Bill Netterville won the Novice class and has booted himself into proper classing now. Yes, Miata is always the answer!
- Bruce Abbott (aged 89) won FS in his Thunderbird!! So what if no one else was in the class – a win is a win!!
- Mikael Edstrom boldly claimed his Fiat 500 had TTD in it, but decided it was only fair to unplug a few cylinders and go 2nd in class to Dinesh Ramessar in STS.

Other notable notes:

- The originally scheduled event date was Robert Soto's birthday!
- Adam and Nichole brought a cookie cake and sammiches to celebrate said birthday!
- After the event was cancelled, we all stood around and ate said cookie cake and sammiches. It was a good time.
- Juney Thompson couldn't make it to the rescheduled event and, rumor has it, he was sad.

And now, a big shout out goes to the fastest person of the event, young Olivia Hammac! She and her dad are new to our little racing club, but she's certainly made a big impression already! Olivia now has the distinction of being the first person not named Ryan Speaks to win the Top Time of the Day award this year! And she did it in a kart, which makes sense, as she isn't old enough to have a driver's license! Oh, and she also took top time in PAX as well. Olivia represents the future of motorsport, and by the looks of it, the future is bright indeed! Well-done Olivia!

Now on to the June event at Lake Tech! And until then, remember – If April showers bring May flowers, what do May flowers bring? Pilgrims. You're welcome.
