# Meeting Minutes

**Martin Sports Car Club, General Meeting July 5th, 2018 Patio Grill Sanford, FL**

Patio Grill is awesome!

Meeting Called to Order at 732pm by Zane Plumley, Zane forgot the bell, but it's all good  
Pit Patters – rec'd – No issues reported? Good Job Kevin!

Minutes Approval – Bob Blucher, first, Shane Brown second - Approved!

## VP Report (Nate Adair)

- Red Flags and radios need to be held by the SAME PERSON, and constantly in your hands!
- Pay attention to the car on course and remember to be on your toes when you are fixing cones

## Secretary (Erik Mayer)

- Did everyone sign the roster? They're working on it...
- Erik from the past is telling Erik from the future to come up with something funny to put here
- He didn't, but still filled his time somehow

## Treasurer (Ben Turner)

- Mr. Moneybags sez the Club remains in the **BLACK**, woot diggity!

## Events Director Report (Mikael Edstrom)

- 82 drivers , 1 more than last year, and 11.3 more than the average
- 6 runs, shorter, fun course, second car out very quickly
- Smoke in the City BBQ food vendor
- 17 classes: 6 classes with 5 or more drivers and 18 novices
- A return to TTD after missing the June event for Ryan Speaks

## State Champs Committee (Juney Thompson)

- Scoping out tarmac:
- Top pics: Epcot, progress is slow; Shuttle Landing Facility, it's not impossible, but it would be difficult due to security rules, also super expensive; KSC Visitors Center, crowded, unfortunately it will not work; Daytona International Speedway, working with Classic Mazda, but the only place that we can run is the kart track, which is not special enough, and cannot use any other place on the property; The FIRM, still booked, and working with them; Jumbolair, they can only contract one car club per year, and they already have the Half Mile Club booked

## President (Zane Plumley)

- Upcoming events:
- August 5 OCCC ( Lava Bowl II?)
- September 9 LTC (possible OCCC, Lava Bowl II)
- October 14 LTC
- November 10 STATE CHAMPS @ FIRM booked 11/10, or *other location!* (maybe)
- December 1 Annual Awards Banquet at *The Bella Room* (so fancy)
- December 9 LTC Pointless

## Old Business

- Equipment Update – Mickey
- The malfunctioning timing equipment was sent back to Race America for repair and up-

# Meeting Minutes

grades

- Trailer Update – Mikael
- Deposit was sent, plans have been drawn and are looking for our approval once we receive them
- They have agreed to hold our price
- We have blueprints, we will be sending them back after we approve all changes
- Social Media – be cautious what you post that is detrimental to the club and its members
- Flip side – Member activities together outside of meetings a race day is awesome
- Cone Purchase – Nate Adair (prices for 400-500 cones)
- ULine quote \$6 each, for a pallet quantity is the cheapest we have found, 432 per pallet
- SCCA regions do have a discount, for \$5.25 each, Nate is working on getting in touch with a local distributor to see about pricing

## New Business

- We have no new business, good job Zane!

## Member Stories

- Erik had a blast in the mountains, ask him about his starter
- Nick Javier bought a Miata! It's always the answer
- Karel went to the FIRM, and his Hoosiers corded, he called up some guy and got one for free, see Karel for more information about free Hoosiers
- Karel went to be an instructor for the performance driving group at Sebring, but they didn't have any students, so he ran the FULL COURSE for 6 hours at half price, lunch at Chateau Elan included! Free cold water too! He had a great time, only broke one radiator hose. Luckily he had his Grom (best bike ever) and was able to give it horns with the old radiator hoses.
- John put a turbo on his 99 Miata on a new motor, fuel issue has been fixed, oh boy!

## Swap Time

- Karel: 3 sets of 13" miata wheels
- Kirby Keene is selling his C5 Corvette, 410 to the wheels, \$16,500
- Dave needs a Volvo expert (JB weld)
- Nick Javier needs a Volvo re-wired (Volvos are supposed to be reliable?)

## Members in Attendance

- 28: Zane Plumley, Nate Adair, Ben Turner, Mikael Edstrom, Erik Mayer, Bob Blucher, Shane Brown, Stephen Claxton, Don Cross, Kim DeBower, Brandon Delli Gatti, Victoria Edstrom, Mickey Gauldin, Don Hosler, Nick Javier, Nick Keene, Eric Leitzke, Kevin Madyda, Tom McDonald, Steve Pierce, Christopher Schneider, John Schneider, Karel Schneider, Adam Severinsen, Nichole Severinsen, Juney Thompson, Jessica Tooley, Roy Watters

## Guests (who did not become new members)

- 7: Heidi Thompson, William Thompson, Troy Watters, Brie Walker, Alex Wolff

## New Members

- 2! Ryan Keene & Matt Bradford woot! Discounted dues, double woot!

Meeting adjourned at 840pm by Zane Plumley

# Race Report BY Juney Thompson

It's Florida. It's July. It's hot... Race Report. Here ya go...

Not much can be said beyond that, am I right? It's that level of hot that just makes you lazy and slow - knowing that if you exert too much energy, you may burst into flames (it's science). This month's event was a scorcher with no rain (yay!) and not much of a breeze (boo!). Only a few more hot months to go, though. Hang in there, baby!

By the numbers, we had 81 entries – a solid showing, considering the heat! We ended up having 3 heats, with 5 runs each, and we wrapped up well before we all burst into flames!!

The course was fun, fast, and open! The open nature of the course, combined with some free-flowing sweeping corners, allowed drivers to choose different approaches, based on what they and their machinery preferred. It was also well balanced, with a couple of 180-ish degree corners, as well as a fast-paced accelerating slalom. By studying the Top 10 in raw times, the nimble roadsters appeared to have an edge, but not an overly strong one.

Speaking of strong... I don't know if any of you have heard of this kid named Speaks... Apparently, he got Top Time of the Day. I've never heard of him before, but I guess he's pretty quick. (Note: if this is your first Race Report, read every other one this year).

Finishing out the Raw Time podium was the mighty Bob Blucher and young karter, Olivia Hammac. Watching Bob drive his newly improved NC Miata was a real treat as the man is as smooth as glass. Olivia put on a great show, only missing the top spot by 0.525 seconds, with about 400 or so less horsepower.

Notable in-class happenings:

- 2017 Tiger Champ, George Bonafede, took top prize in AS, over Don Hosler and Stephen Claxton. George was also the only person to put a 'Merican V8 in the top 10.
- Chris Wells stood triumphant in ES, over a close 7 car field – the top 3 were separated by less than a half second!
- In STR, Bob Blucher crushed the 13 car field. But after him the gaps between 2<sup>nd</sup> and 10<sup>th</sup> were very close! STR seems to be where the action is right now!
- Maykel Cabrera put a shellacking on the STS crowd! Over 3 seconds!
- In Novice, Nicholas Small won out in his 1991 Miata. Welcome to regular classing Nicholas!!

Other notable notes:

- Nate Adair drove his new/old 1997 Miata in ES. It had a lot of body roll. Jokes were made.
- Nick Javier spun his new/old 1991 Miata. The tire delaminated. But, at least it didn't have as much body roll as Nate's car (Zing! Got 'em!!)
- Dan Sterling brought a Suzuki Cappuccino. Google it. It's glorious.
- David Flesher brought his VanDiemen RF88. I want one.
- Smoke in the City provided food. I had a brisket sammich. It was delicious.

And now, the monthly Cool Person Award goes to Carlos Vidal! Carlos is fairly new to our little club, but he has shown that he knows how to drive, and he knows how to tape! His white 240SX is super clean and he has consistently had the nicest blue taped numbers I have ever seen. Carlos has also brought his family out to a couple events and that's what autocross is all about – a great time for all ages. Plus, rumor has it, Carlos has an old-school diesel Mercedes and a certain writer may try to convince him to bring it out to the Pointless Event this year.

Now on to the August event, which will be held at the Orange County Convention Center! It's the Lava Bowl, people! Bring some water, a canopy, a portable-air conditioner, some of that NASA gold foil that resists heat, and some liquid nitrogen. It may be warm...
