# Race Report BY Juney Thompson

Ah, October. A time when everything becomes injected with pumpkin. Children disguise themselves and go around threatening people for candy. The wonderful state of Florida has a day that doesn't reach 90 degrees. Spooky times, indeed. What's more spooky than that?! This here Race Report!

Our October event was the final event before the upcoming 45<sup>th</sup> Annual FLORIDA STATE CHAMPIONSHIP, which will take place November 11<sup>th</sup> at the FIRM in Starke! As it just so happens, the State Champs will also be the final points paying event of the Martin season! So, the October event was an opportunity to fine tune the setup on the car, see where the competition stacks up, and plot how you're going to sabotage everybody!

For this October event, the course layout was designed by our very own King of England, Mr. Ian Collins! It was an interesting and fun design, featuring a large counter-clockwise double loop – a personal favorite. Due to said loop, drifting was plentiful. From everyone I talked to, the course provided a different kind of challenge depending on what you drove. Multiple boosted-car drivers remarked how they found it hard to stay in boost. The big honkin RWD folks found the tight second half of the course difficult to put power down. Overall, I feel it was just what we needed to shake things up going into the final event!

Final results were a bit outside of the norm for this season. Out of the Top 20 in raw time, 10 spots were held by some sort of Miata, including all three podium positions! That doesn't sound too irregular, until you see that 3 of those Top 20 Miatas were ES cars – we haven't had that many ES cars in the Top 20 all season. So big power and mechanical grip were not necessarily the end-all be-all this day.

Quick run-through of in-class battles, as well as notable notes:

- No love bugs!
- A-a-ron Stogsdill won AS over Don Hosler and his... Vega?
- 2017 Tiger Champ George Bonafede was not in attendance. And with that absence being his 3<sup>rd</sup> of the season, it is now certain we will be crowning a new Tiger Champion this year!
- John Walsh and his 2017 Focus RS won BS over Zac Saubert by a mere 0.065 seconds!!
- Chris Wells won a very tight and fast ES class. Chris defeated Scott Swartz and Steve Pierce by 0.174 and 0.302, respectively. All three drivers made the Top 20 in raw time!
- Smoke in the City served food that makes you happy. I had the loaded Mac N Cheese. I regret nothing.
- Bob Blucher put a hurtin on the STR guys. Very respectful of them to let the new Club President win.
- The world held their breath as two Pontiac G8's engaged in a titanic battle. Remember that scene in Troy where Hector and Achilles's cousin (who they thought was Achilles) square off and all of the other soldiers stop and watch them? It was like that.
- Speaking of movies, remember that early scene in Gladiator where the big Germanic nomad leader gets taken down by the Romans, but it takes like three of them to do it? That's what happened to Ryan Speaks, who was NOT the fastest man in the world this time! The fastest man of the day was Mr. Robert Palmblad, who captured his first TTD trophy this season!
- Shoutout to Adam Severinsen for bagging 5<sup>th</sup> in raw time with his Little Golf That Could! Mighty fine performance!
- Also shoutout to Leland Giddens for showing up in a brand new, stock 2018 Camaro SS (down to the OEM tires), and finishing 6<sup>th</sup> in raw time... 6<sup>th</sup>!! What?!

So now we turn our attention to the 2018 STATE CHAMPIONSHIP next month! It will be the decider for all of our class championships, as well as our overall 2018 Tiger Champion! What makes it especially interesting is everyone will accumulate points, including any hotshoes from outside our normal area. It certainly won't put them in contention for any championships, but it certainly could take away from other Martin member's points if they have an off day. Plus, I'm sure some folks would love to take down as many Martin members as possible. We can't let that happen, people! Remember that scene in 300 where the Spartans put the absolute smackdown on the Persians time and time again? Let's do that... but let's not get shot up by arrows in the end.
