Race Report BY Juney Thompson

Well... we did it. The 2018 State Championship, is in the books. It took nearly a year's worth of planning, but we did it. It's also the end of our Martin 2018 points season. And at the risk of sounding a bit boastful, I think we all did a very fine job indeed. Welcome to a very celebratory RACE REPORT!

We have a ton of people to thank for the State Champs event. The Martin board and the special State Champs committee spearheaded the effort. Martin member, Maykel Cabrera (Autoxtees.com), supplied the super snazzy event t-shirts, FASTSIGNS Casselberry provided slick signage and banners, and the very attractive people at Classic Mazda provided serious sponsorship support! Classic Mazda also opened up their offices to allow us a place to have a planning meeting AND they provided a 2019 Miata RF to be displayed at the event. For reals, if you're in the market for a Mazda, you better go to Classic Mazda or be prepared to catch these hands!

Also, Bryn and the folks at the FIRM were phenomenal. They stayed late and allowed us extra time to set things up the day before the event. It was very much appreciated! As we rolled into the FIRM the morning of the event, we were able to focus on getting everyone teched and getting the event going as early as possible.

For the whole weekend, we couldn't have asked for better weather! It was chilly in the morning, but the chill quickly went away throughout the day. By the time cars rolled, it was warm enough to get some heat in the tires for grip, yet cool enough for some strong internal combustion goodness. It was the type of day that makes you say thanks to whatever deity it is you believe in.

We saw a grand total of 162 entries, with some coming as far as Fort Lauderdale and beyond! The high amount of entries required a total of 4 heats. Despite the head count, we were able to get 4 runs per heat! How bout that value?! Also, despite the amount of hotshoes from across the state, I am happy to say our Martin Sport Car Club members did exceptionally well on the racetrack a.k.a. field of battle! No less than 12 classes were won by Martin members, with several others closely contested. We done good, folks! Notably, our new President, Mr. Bob Blucher (Tiger Champion of 1983!) won the largest class, STR, containing a total of 17 entries!! That'll learn 'em to drive roadsters with a moderate level of modifications!

Other notables!

- The Top Time of Day award (sponsored by Grassroots Motorsports Magazine) went to... not Ryan Speaks... Even Ryan's talent wasn't enough for a mini F1 car, built by students and driven by Nathaniel Cadet. Okay, it wasn't technically a mini F1 car, but that's what I called it. It was fast (55.419 seconds, fast)

- The closest battle was in BS. Laura Campbell took the win over David Marcus by, wait for it, 0.013 seconds!! Even crazier was the fact they were driving the same car and both drivers' best times came in their 4th and final run!

- Mark Burt displayed some sort of witchcraft, taking the top spot in in a VERY stacked AS class by 2.223 seconds! His time of 60.075 seconds also won him the top time in PAX (which also had an award, sponsored by Grassroots Motorsports Magazine)!

- Ash Gravely drove a 2000 M5 to a 62.509 seconds, winning STX... he also doubled as the FIRM taxi... all on Michelin PS4's... no less.

- Food was provided by the good people at Publix! I learned that cauliflower puffs are surprisingly good... tasted like seasoned cheese puffs... who knew?

There are so many other stories that happened throughout the day, that I can't possibly fit them all into this report. Plus, I'm too lazy to do so. So, to sum it up, the course was tough but very fun, the competition was fierce, and the quality of the people was beyond top notch. Despite any imperfections, it was every-thing you could hope for in a State Champs event.

Now, it bears repeating that this event was also our final points paying event of the season! As per Martin tradition, the final points standings are kept secret until the big year-end banquet. Based on my calculator and half-a-box of crayons, the State Champs brought about some shake-ups in the standings! However, I've never been known to properly carry a one, so my math is shaky at best. So, join us at the banquet, buy me a drink, and let's see how everything shakes out!

After the banquet, we'll be having our year-end "Pointless Event" at our home base in Tavares. Come out, drive for fun, and buy me a drink afterwards!
