Meeting Minutes

Martin Sports Car Club, General Meeting Jan 3, 2019 Patio Grill, Sanford, FL

Meeting Called to Order at 7:30pm by Bob Blucher
Pit Patterns – Emailed, Postal Service, received, YES!
Minutes Approved – Yes! Kevin first, Mickey second

VP Report - Nate Adair

- December event was a little bit wet
- No safety issues from the last event
- Radio that was left out in the rain, luckily after it dried out it turns on, reprogrammed and it works 100%
- Please don't peel the labels off the radios

Secretary - Erik Mayer

- Did everyone sign the roster? Yes!
- I didn't have any bad jokes, but Karel did:
- Weasel goes into a bar, the bartender has never seen a weasel in a bar before, the bartender asks the weasel what he wants to drink, the weasel says "Pop"

Treasurer - Ben Turner

- Club remains in the BLACK headed into 2019! We are winning people!

Events Director Report - Mikael Edstrom/Stephen Claxton

- Very wet morning cleared for the afternoon
- 68 cars registered, 62 cars ran. 6 that decided not to run
- This is down from last year by 2 cars, and down from our average by 6 cars
- It was a rainy morning, but got started a bit earlier than normal, 9:30am
- There was a 30-minute break for lunch and the afternoon stopped raining and cleared up
- There were 19 classes, with 11 novices. 4 classes with more than 5 drivers, 5 single car classes
- Top time of the day for fendered cars was 37.168 Glenn Ford from B street (in the dry) and Lewis May at 36.695 for karts
- 4 runs for everyone finished around 2:30pm
- We did not have a food vendor because of the rain and the possibility of lightning

Meeting Minutes

President - Bob Blucher

- Gift baskets for Lake County Tech and Sheriffs Dept – Mickey Gauldin, Bert Del Villano and el presidente Bob Blucher met with Dr. Culpepper and Lt Bond. We are liked very much by both which will lead to a very long relationship. Lt Bond and the school board will be trying to get funding for removing the road course and paving that area, as well as repaving the existing lot. Both lots would be combined. The issue would be where would we go during the clearing and paving process. Lots to discuss there, but this would not be happening any time soon.
- Lt Bond discussed what the department does with our event rental fees. For 2018 they hired consultant for a two-day seminar discussing PTSD and suicide and how to cope with these issues. Additional funds are being used to upgrade the classroom technology.
- He also was very grateful for the toy donation. He received them too late to give to Toys for Tots, so some of the toys were given to officers in need and may not have the funds to purchase Christmas presents for their children. The remaining toys went up to north Florida to hurricane victims that are still struggling to get back onto their feet.
- Upcoming events:

 - February 3
 - March 10
 - April 14

 - October 13
 - November 10 (going to look at the FIRM for Nov 17)
 - December 8
- Autocross School
 - Emailed Chris, Gerardo, Matt, Robert and Leland, shooting for March 31, or April 7.
- Members only events
 - Looking at Nov 2 for at least one of them. Possible evening/night event at Lake County. Interest?

Meeting Minutes

- **Need meeting locations for 2019**
Checked out Castle Church Brewing at our board meeting. They have an area we could use, but if they are busy we would not have the area all to ourselves. When we were there the place was dead. They have beverages, but no food unless those that wanted food used Uber Eats or similar. There is a pizza place not too far away that was pretty good. We will try it out next month.
Stephanie McDonald suggested Giovanni's in Lake Nona and had a room in the back that can be closed off for meetings
- **Remind everyone that 2019 will be pre-register and pre-pay only for ALL events**

Old Business

- **Equipment Update**
 - Trailer Update**
What's next to do? Secure tables and create a loading manual.
Need to prep the old trailer to be sold, need photos and post for sale. Needs a good cleaning. Starting price \$2900.
Need to sell, trailer cleaning event.
 - Timing equipment update**
Waiting for contact back from Race America regarding our old equipment, details about the trade-in program
4 t-links are eligible for trade-in program
New T3s are regularly \$529, we will get the new ones at a significant discount
Old ones do not need to be working to be eligible for the trade-in program
- **Live Timing**
Let's do this! Travis said the setup is trivial. Need to set up an account with Verizon in the club's name and buy an LTE hub for the laptop. Travis will investigate the cost.
- **2019 Board Positions, board is live!**
President: Bob Blucher, VP: Nate Adair, Events Director: Stephen Claxton, Secretary: Erik Mayer, Treasurer: Ben Turner
- **Rules Changes**
No changes: no changes were approved
- **Volunteer Positions**
Chief of Tech: Pete Porpora (Maykel Cabrera and Matt Bradford also interested in Tech)
Waivers: Tom McDonald, Kim DeBower, and Brandon Delli Gatti

Meeting Minutes

Chief Novice Instructor: Chris Wells, supported by Don Cross,
Juney Thompson
Medic: John Walsh
Trophies: Mikael

Approved for purchase at the last meeting, need to order.

New Business

- **Partnership with Classic Mazda & Orlando Roadsters for December Meet**

We were given exclusive indoor display space for some of our Miata members

Our setup of 4 cars, posters, tables, and information was spread out over the main showroom floor space

Classic Mazda allowed anyone who wanted to the opportunity to have their photo taken in the dealership, this brought them past our cars

Very positive reception with a lot of conversation about our club to the meet attendees, good exposure for the club

Member Stories

- Eric L is ALMOST done building his MS6
- Juney is going to the Hot Rod Power Tour this summer, good times are guaranteed!
- Karel says Classic Mazda is really a great place to buy parts, really nice folks, wear your Martin shirt to get a discount (according to Karel)
- Bob got the Porsche GT3 RS Lego set for Xmas, 569 pages of manual for assembly, took him 10 hours to assemble, he loved it, bought the new RSR Lego model that was just released

To our furry four-legged friend Bubba Glazer may you rest in peace. He was unofficially the MSCC mascot and attended just about every event we had. He loved watching Terry race almost as much as he loved chasing leaves. We'll miss his affection and his bull dog swagger. Our thoughts and prayers are with the Glazer family.

Race Report BY Juney Thompson

January!!! New Year, new us! We start this year with excited optimism about our vehicles and the performance thereof. We also hope and pray that we can just do a little better than we did last year. Not so much in life, of course, but where it really matters - on the track. So, put on your nicest Baby New Year costume and enjoy this year's first Race Report!!

This first event of the year took place at our Casa de la Go-fast; Lake Tech. This was also our first "official" event since November's State Championship. Those of you that attended the rain-drenched Pointless Event in December have probably gotten over the pneumonia by now. Personally, my socks are still wet. (Some say they may never dry.) Luckily for us, though, bad weather was not on the menu for January! The weather was absolutely perfect. We couldn't have asked for better.

As this was the first event since the State Champs, several drivers were set to either continue their driving domination or get sweet, sweet revenge on the drivers that beat them! 112 folks decided to show and start the year properly. We had 10 classes with 5 entries or more, with 13 in STR and 20 in Novice. Yay, competition!!

The course was a very nice blend of fast and slow. It seemed a little daunting in the initial walk, but actually turned into a very fun and flowing course once we started driving. My favorite part was the high-speed "mini-slalom" near the timing trailer/spectator gathering area. It gave everyone a real nice look at the cars running at speed and showing what their suspensions can do.

Let's go over some of the State Champs rematches, shall we?

- In CS, Robert Palmblad repeated his State Champs win in his ND Miata.
- In the ever-popular ES, Nate Adair maintained his advantage over Chris Wells. However, Mr. Trevor Renson ruined the party by beating everyone in his "anti-Miata" MR2!
- In GS, Darren Schneider took the win with commanding form. That win hopefully makes up for a heartbreaking 0.099 second loss to Eric Leitzke in November!
- In STS, Maykel Cabrera saw a lot of different competitors from November but still repeated his class win.
- In CAM-C, the guy typing this held on by the hairs on his chinny-chin-chin (0.027 seconds) over a very competitive Thomas Neubeck and his 2017 Camaro. Take THAT, all the teachers that said I'd never amount to nothin'!
- In SMST4, the 2018 Tiger Champion, Ryan Speaks, showed his Tiger Champion-ness by repeating his State Champion-ness. It should be noted, that Jefferson Binford gave him quite a scare, as Ryan did not take the class lead until his final run. Ryan took said win by only 0.228 seconds! Good stuff!
- In SSM, the STR State Champ, Robert Blucher, decided to throw some slicks on his NC Miata and go after SSM State Champ Mickey Gauldin. It was high drama as the two were neck and neck, with Blucher locking it in on his final run!
- AS holds the recipient of my WOW, WOULDYA LOOK AT THAT award. Several jaws were agape at the State Champs when a unknown (to me, at least) cat by the name of Mark Burt showed up and smashed everyone in a seemingly stock C6 Vette. Well, Mark showed up again and showed that it wasn't a fluke by putting a 1.193 second gap on a very fast AS field! To help put that into perspective, Mark also placed second in the raw time - sammiched between the two co-drivers of the 2017 STR National Championship winning ND Miata (Steven Hughes and Mike Brau). Furthermore, Mark also bested the mighty Ryan Speaks, who placed 4th overall.

There were several other interesting stories, but I'm running out of typing space. So, make sure you note in your calendars that next month's event at Lake Tech is bumped up a week (February 3rd)! We'll see everyone then!!
