## **Secretary - Erik Mayer**

- Did everyone sign the roster? Yes!
- Erik didn't have a bad joke, but Pete Porpora did: He likes to tell bad dad jokes but he doesn't have any kids, does that make him a faux pa? Lol

## **Treasurer - Ben Turner**

- Club is in the **BLACK!**

## **Events Director Report – Stephen Claxton**

- 27 Classes, 8 classes with 5 or more drivers, 11 one car classes, 8 Novices

# Race Report BY Kevin Madyda

Hear ye, hear ye and gather round we have a special race report from May. Our own June Thompson, you may know him from some of his latest works such as the April race report, the March race report, and who could forget that February one, that was a doozy, was unable to attend so you are stuck with the chief editor Kevin, with copy editor Erik, on this one. Sounds like the chief editor deserves a raise, right?

First off, we would like to wish all the moms a Happy Mother's Day, if it weren't for our mothers we wouldn't be able to sling these machines around cones for fun. To all the moms that came out we hope you had a blast and learned something.

We had 86 competitors with 5 runs each, which paired with the hosts and staff made a smooth-running event. Sadly, we had a last-minute food truck cancellation, sorry for everyone that went hungry but happy to announce it did not cause any fatalities.

The course was fun and challenging with a mix of some elements not normally seen out at Lake Tech. If you didn't already know Miata is always the answer with 3 of the top 4 times. The top 20 fastest times were dominated by the RWD sports cars which makes up 17 out of 20 with just a single AWD, FWD and junior kart sneaking in. As for notable in-class and overall action:

- In BS Donald Lowe is the fastest Lowe, beating Donnie Lowe by 1.3 seconds in the same Camaro 1LE and dominating the rest of the class!
- In STX Cliff Bordwell put a margin of 1.892 seconds ahead of the rest of the class also taking the 2nd fastest time of the day in his FRS.
- STR continues to be boring unless you're Steven Hughes, who once again won STR and took top time of day. His codriver, Mike Brau, took 3rd. Codrivers Carlos Ortiz and Adam Arencibia-Moore took 2nd and 4th in class, and Kevin with those fancy new socks and shoes on his Miata took 5th. Another STR mention goes to Victoria Edstrom who codrove Velveeta with Shane Brown and did take down the car owner by 0.03, sorry Shane.
- Adam Severinsen ran alone in STH so he technically got 1st and last in class, but that didn't stop him from complaining about his tires. Adam is always forgiven because of the awesome photography he provides for the club, thank you.
- In STX we had a nice codrive battle between Don Cross and Robert Soto that led us to know that Don is the fastest in an 08 Boxster beating Robert by 0.168. Can't wait to see a rematch in the Cutlass, am I right?
- There are a few common class winners have yet to be dethroned in AS Mark Burt, ES Trevor Renson, and STS Matt Bradford continue to control their classes.
- For our Novices, it was great to see mostly moms out enjoying the day with Lori Wisberg being crowned the champ in a class of 8 competitors. Sorry other moms, maybe next year.

I could go on, but that will make the print even smaller as we don't have enough in the budget to give me an extra page...but I can dream...

Join us for June, maybe the love bug swarm will be over...or maybe not but there is only one way to find out!

See you all there!
