Events Director Report – Stephen Claxton

- **August Event:**
 - 132 drivers, 9 more than last year, and 42 more than the average, last year also OCCC
 - 4 runs, 4 heats, no food on site
 - It was **HOT**, 93 degrees with 84% humidity and very little wind
 - We started the day at 9:30 with the first car out and was done by 3:00
 - 29 classes, 11 one car classes, 12 classes with 5 or more drivers, 18 novices
 - TTD set by David Marcus in a 2019 Model 3 at 39.998 (yes, an electric car)
 - Top Novice was Robert Pace with a 44.394
 - We had some timing issues first thing in the morning and then later in the day, the batteries in the equipment started to overheat
 - Tried texting to notify workers and pre populated the live timing so folks could validate their information.

President - ~~Bob Blucher~~ (not present, he's in Germany on his honeymoon)

- Upcoming events:
 - ~~September 1 – OCCC~~
 - The OCCC race has been rescheduled to September 15th because there was supposed to have been a hurricane, OCCC told us we had to postpone so they could use the lot for emergency equipment, but then there wasn't a hurricane, and everyone was mad
 - ~~September 7 – LTC Member's Event, evening~~
 - Members Only Event has been tentatively rescheduled to ~~October 27th~~ (nope that conflicts with other dates too, we are looking to move it later in the year or possibly into early 2020, stay tuned) because there was supposed to have been a hurricane, but then there wasn't, and everyone was mad
 - October 13 – LTC
 - November 3 - Changed from Nov 10. The FIRM
 - December 1 - Awards Banquet at Maggiano's
 - December 8 Pointless Event at LTC
- Members Only Event:
 - See above for date change information
 - Chris Wells, Adam Arencibia-Moore, and John Schneider have planned a great event, make every effort to attend!
 - Chris told the members in attendance about their ideas to make the event special
- What does everyone think of the new meeting location? Does it work? Any other places worth trying?
 - The membership likes the venue, we should be adding it to the 2020 rotation in place of Castle Church

 - President (Erik?), VP, and Secretary will be open (Secretary will only be open if Erik becomes President)
- **2020 Volunteer Positions**

 - Might be moving that function to ClubRegistration
 - What other positions will be coming available?

Member Stories

- Erik's car got hit in a parking lot, the lady left the scene, but there was a witness who stayed for 2 hours while they waited for OPD to show up. OPD ended up going to her house, she claimed to not have known she hit Erik's car, but she was charged with an at-fault accident anyway. Erik's car is getting fixed, and while it is, he's driving a big, juicy, minivan. (Erik from the future here, my car is fixed, and I have rid myself of that godawful minivan and it's hateful Uconnect infotainment system)
- Brian Z got a new LSD, should be faster
- Chris Schneider is racing/running a new Supra this year for Drag Week with Real Street

- 25: Nate Adair, Stephen Claxton, Ben Turner, Erik Mayer, RJ Aldridge, Adam Arencibia-Moore, Ronald Blanzenski, Shane Brown, Don Cross, Kim DeBower, Mikael Edstrom, Victoria Edstrom, Mickey Gauldin, Keith Harvey, Tom McDonald, Scott McGlone, John Schneider, Karel Schneider, Adam Severinsen, Nichole Severinsen, Robert Soto, Robert V Soto, David Thierer, John Walsh, Chris Wells

Race Report BY Juney Thompson

Lava Bowl Part Deux!! Our second yearly event at the Orange County Convention Center is in the books, and it was a great event all around! Notably, it was surprisingly not “burst into flames” hot. I mean, sure, we had to dodge a hurricane, and reschedule because of it, but otherwise it was quite nice out there. There was no barking from the dogs, no smog, and momma cooked the breakfast with no hog. Yep, it was indeed a good day.

Possibly due to the rescheduling conflicting with everybody’s personal scheduling, we didn’t have nearly as many folks at this month’s event when compared to last month’s (73 vs. 132). That’s a shame because those 59 people really missed a great event! The course was surprisingly fast. It didn’t appear as much when we walked it, but brother, when you got out there, you found yourself moving pretty quick through some areas. Doing some investigative reporting, everyone I talked to said it was a very fun course. Due to the lower attendance, we were able to get 5 runs this time out of our 4 run groups.

Notable Notes Worth Noting:

- Top Time of the Day went to Mickey Gauldin and his open-wheel, winged, bright-red Scuderia-esqe awesomesauce-machine... which he will one day give to me because he’s a super nice and handsome guy. Please...
- Top PAX time and a commanding win in ES went to Trevor Renson yet again! Trevor is also developing a very strong lead in our overall Tiger Points championship, with only two more events to go!
- Going back to the overall top times of the day, it should be noted that positions 2 through 4 could be covered by literally the blink of an eye. Shoutout to Mark Burt, Leland Giddens, and Nate Adair for keeping it so close! Mark put on a great show at the end by being the last driver running and shooting for that TTD.
- Big praise to the course design for keeping a very diverse Top 20 in raw time! A very nice mix of cars scattered about them there standings.
- Nate Adair won SMST4 and gave some exhibition taxi rides in the final heat for some lucky Orange County deputies!
- In CAM-C, yours truly lost by 0.014 seconds to Timothy Engle and his 2007 Mustang GT. It was the closest battle of the day. I’m not mad about it. Not at all. The fact that Timothy’s tires were flat at the end of the day is a coincidence. Completely unrelated, but special thank you to Nate for keeping the deputies distracted.
- Multiple family/significant other in-class competition! The Nick and Caitlin in STU, Karel and John in XP, Leland and John in SMST2, Robert and Darius in CAM-C, and Mark and Diana in AS! It’s all about the love... and asserting dominance in the household...
- Our Novice winner was Brian Barnett and his snazzy Audi RS3! I watched him launch as couple times, and well, that thing’s fast. Great work Brian and welcome to regular classing!!
- Officially, we had no food trucks at this event because OCCC doesn’t allow such things. Hypothetically, and unofficially, if we were to have had TWO food trucks, one being Willy T’s Crab Shack and the other being Cosmos Ice Cream, I would have told you we were out there living our best lives and the food from both of them was absolutely mind-numbingly delicious. But, alas, that officially never happened.

The next event in October is back at our home sweet home of Lake Tech! It’s the last event to get your setups dialed in before the Martin season finale at the FIRM, which is always a blast! Come on out, enjoy some (hopefully) cooler weather, and who knows, you might even see the lights of the Goodyear blimp.
