# Race Report BY Juney Thompson

Ah, October, we get a slight break in the summer heat, but we continue to get the summer rains. In the words of Harry Hogge, "I don't want you spoiled, Buck". For this month's event, we found ourselves back at Lake Tech after two months in Orange County. It's good to be back home. And luckily, the rains let up for a day or so and we got ourselves a nice sunny and mild day.

The course for this event was one of the more controversial ones we've had in recent memory. Word on the street was some people found it to be very tricky and slightly frustrating. For those reasons, though, other people really liked it. The flow of the course required a good amount of patience in the beginning. Long and tight turns switched to a nice straight and a couple of 90 degree corners. The tricky part was maintaining that patience even when the speeds picked up. It made for some good watchin', that's for sure! A couple of spins were enjoyed by some, and copious amounts of understeer were enjoyed by others. Take that, tires!!

As for the notable notes:

- For this event, the officially made-up "Life of the Party Award" goes to Jason McCoy! First, he showed up in an old fire truck towing a car trailer, so there's that. Second, he was dressed in a fabulous pink outfit, including a pink turban-type-thing, bringing attention to Breast Cancer Awareness Month. Third, his weapon of choice was Mrs. McCoy's super clean M2, complete with sparkle numbers and class letters. Awesome.

- In SMST2, Leland Giddens took the top prize over John Giddens, and also took the top time of the day! Of note, baby Giddens was in attendance, likely taking notes. The name Giddens will mostly likely continue to rule SMST2 for several years to come.

- In ES, Trevor Renson... did not win (Whaaaaaa!?). That's right! The man who beat him? Went by the name Mark Burt. Seven feet tall he was, with arms like tree trunks. His eyes were like steel: cold, hard. Had a shock of hair, red, like the fires of Hell. And he drove a yellow MR2.

- For reals though, this brings even more drama to the Tiger Points Championship! Renson, Giddens, and Burt. It's still all to play for!

- In AS, Aaron Stogsdill put the smack down on the course and the competition!

A-A-Ron won the class and took the top PAX time in his C7 Corvette! Take notice, new C8 Corvette!!

- Closest in-class throwdown was in BS where Richard Fickes defeated Carl Ramsey by a mere 0.008 seconds!! Holy cats!!

- The second closest finish went to Adam Severinsen and Cody Mountjoy. Adam got the better of Cody by only 0.042 seconds! Side note, Gene Van Glahn was nice enough to allow Adam a co-drive as Adam's Golf R is currently under the weather. Get well soon, speedy machine!

- In Novice, we had quite the rare situation, and we had it twice!! A little known rule (Rule 5.8.1) says any novice who finishes within 110% of the fastest raw time of the day gets automatically bumped to official classing. So, novices Matthew Walsh, in his 2015 Evo X, and Kurt Fernandes, and his 2016 GTI, were both fast enough to get the bump! Well done fellas – you were so fast that you got bumped to a faster class... which you then subsequently lost... lolz. Congrats to Robbie Spilka and his gorgeous Alfa Romeo 4C for being fast enough to win the Novice class, but not too fast to get bumped. Well played!

- In wildlife news, a turtle attempted to walk onto the course but was saved by a Martin member group effort! Insert your own "turtle/driving slow" joke here.

- 2018 Tiger Champion Ryan Speaks... was not there. He has been so not here, in fact, that I even forgot to mention him in the last Race Report! I sometimes look up at the stars and wonder if he is looking at the same stars at the same time... That's not weird, right?

We now turn to the final points paying event of the 2019 season – our yearly event at The FIRM! It's a road course with a few spicy cones thrown in to make it autocross. It's always a fan favorite and a great decider for the 2019 Tiger Championship. I don't know if a pace car will be there, but if it is, I will hit it in honor of Mr. Hogge.
