Race Report BY Juney Thompson

Congratulations! You made it to the end of the Pit Patter! Your reward? Another riveting Race Report!!!

Ah, December. It's a magical time. A time for family, friends, buying/receiving gifts, getting diabeetus from eating too many cookies... It's also the time of our Martin Sports Car Club year-end banquet and our December Pointless Event! Two events in one Race Report! What a deal!

Let's start with the year-end banquet. It was held at Maggiano's in Orlando. I'm here to tell ya, the food, service, and location were all great. Toys were donated, by several of our members, to the Lake County Sheriff's Office, who disperse them to deserving families for the holidays. We love our Lake County folks. Awards were handed out to all of the class champions, as well as our special awards, given to special members who achieved special things throughout the year...special. Notably, this year's 2019 MSCC overall Tiger Champion is... wait for it... Trevor Renson! That's right, Trevor and his backwards Miata performed exceptionally well this year, putting on a clinic at most the events they attended. Some say his long hair gives him an aerodynamic advantage. You see, as the air whips around the driver's area of the car, it gets disturbed by the hair protruding out from the bottom of his helmet. This creates a double inside-out backwards venturi effect (patent pending), which then generates incredible downforce. I went to the home of legendary Formula One car designer Adrian Newey to discuss this claim. Adrian responded by saying, quote, "What are you doing in my house? Get out before I call the police." Fascinating stuff, indeed.

On to the Pointless Events! It was a beautiful day for such a pointless undertaking. The weather was nice and cool, without any angry clouds in the sky. I could go into the in-class battles, but I will let you do that on your own if you'd like. Just please pay attention to the list of cars, as there were some amazing ones out there (1977 Chrysler Newport, for example).

I would rather use this last bit of space to write about a very special member of our little driving club. Bruce Abbott is a legend. When I first started running with the club, a few years ago, I remember seeing an older Bill Elliott edition Thunderbird sliding out of corners and driving on what looked to be junkyard wheels and tires. I thought it was the coolest thing because the driver was most certainly not worried about being the fastest. He was just out there having a blast. Then someone told me that driver's name was Bruce. They said the number on his car changes each year because it reflects his age. That number, at the time, was 86.

From then on, when I talked to other people about getting into autocross, I would mention Bruce. I know I'm not the only one who did. Bruce probably inspired more people to start autocrossing than he'll ever know. Bruce showed autocrossing is something that can truly be enjoyed by everyone, no matter what age or whatever machinery you own. As I would tell people, if Bruce can get out there and rip it, you can too!

I didn't know Bruce that well, but I always thought he was a badass. I remember a Lava Bowl event at the Orange County Convention Center, not that long ago. It was the middle of the day, hot as hell. I was driving and Bruce was working grid. I remember seeing him walking up and down the grid. The only way you could tell he was even warm was that he had his shirt unbuttoned. Otherwise, it was the same Bruce look. No umbrella, no cooler, no drink bottle, just ruggedness. I offered him one of my Gatorades. He said he was alright. Tough as nails. I know it's cliché, but they don't make 'em like that anymore.

Bruce has decided to move up north to be with his family indefinitely, and there's no telling if he'll ever run with us again. Totally understandable, but we hate to see him go. If we don't get to see you again, Bruce, it's been an honor.

Now to conclude this here Race Report. I've had the privilege of writing this wacky and sometimes factual stuff for over two years now. It's been a hoot and a half. But now, as I have assumed the role of MSCC Vice President (or V-Prez if you're down), I will be turning over the literary keys. Newly-crowned Former MSCC President, THE Bob Blucher, will be your new writer extraordinaire. This Race Report is in good hands. Thank you all for taking the time to read my ramblings, and thank you again for saying nice things about them from time to time. I look forward to seeing you all next year. Side note, I had someone ask me what my goals were for this coming year. I replied, "I don't know man, I don't have 2020 vision."

Yep, that's how I'm ending it.

Thank you.
