Equipment Report with Mickey

Is there something wrong with one of the blowers?

One of the blowers was leaking gas, Adam has already ordered a
replacement carburetor gasket for the one leaking gas which will
be addressed at the next event

Timing EQ is charged and ready to go

Website Updates - Scott hasn't had any time to keep the website updated.

Some licenses need to be renewed

Meeting Minutes

New Business

Discussion about only having 9 points events with 1 drop as we've lost 2 events this season

Florida Citrus Region Porsche Club will join us at the September and October events

Sunday September 17th

Sunday October 15th

They will follow our procedures, but run their own classes (no fun class, you would need to register for your normal class) during our regular heats

They will register and pre-pay via ClubReg

They will be using their own insurance

Included in the 120 cap for the event

The Executive Board had their monthly meeting at Tibby's in Altamonte Springs. The manager met with Matt and he has information regarding possibly having our club meeting there in September.

If considered, the max number of people we could have is 25-30 and we would have to sign a contract to confirm that the entire room spend at least \$200 but there would also be a 18% gratuity on everybody's bill as its a large party

Next month's meeting will be back at Patio Grill in Sanford. We'll let you know if anything changes

We are considering having a "Members Only" event on the Saturday before our points event in November. This would just be like a 'test n tune' for fun and give the members a taste of how the new surface feels before we open it up to the public

Chris talked about securing the Sun Trax site in Auburndale but that is on hold as CFR SCCA has been working on getting that facility but as they do not have a management company yet, we have not heard anything.

Juney has been working on trying to get us back into the Geneva site where he found out the site is available for rent but is still working on the details

Member Stories

Jerry told the story of how he needed to have a quad bypass postponing their cruise in Rome

Chris did not attend the event at The Firm as he was in Nashville spending time with Zane hanging out with other iRacing friends for the 24hr of Le Mans

Mickey told us how Leland got a giant bruise on his side when they were mountain biking while on vacation and was very soar after the June event

Swap Time

Juney is wanting to get rid of a Pontiac G8 GT automatic transmission crossmember

Jerry/Adam has the factory Llama front k-member up for grabs

Scott Swartz is selling his semi-street legal track NB Miata with rollbar, big radiator, and coilovers selling for \$7500

Kevin is selling a golf cart!

David Thierier just picked up a pickup truck and is looking for a reasonably used car trailer to start towing the Miata to events prepped

New Members - None
