We did make money from the December event!

Monies spent on the Banquet, but we still have monies in the bank.

Club spent additional \$277 on toys for donations (cap was \$500 and the board had already spent little over \$200 prior).

Discussion about the December event at OCCC

We had 80 drivers, 6 less than last year, but was still more than the average.

Fast Time of Day (Men's and Lady)

Our current insurance provider has decided NOT to renew us for 2024 (can't believe that we are having to do this again.) Chris has been in contact with our insurance agent and filled out applications, but we have not heard anything regarding when we'll have a new provider, and our current policy does expire this month.

With that being said, the board has decided to cancel our event for January 20th and will let CFR SCCA Autocross have the date.

Mickey and Chris had a meeting with Capt. Mike Bond, and he would like us to do a 'test' autocross with a couple of high-grip cars the weekend of January 27-28. We will need to avoid the areas that have been damaged, but if the surface holds up, we could have our first event back at LCTC in March, HUZAZH!!!!

Dawn Giddens won one of the PCA Gift Certificates and neither John nor Leland can use it. We will be holding a drawing for it.

Won by Jacob Hardy

Next club meeting will be at IHOP in Apopka unless we locate another facility.
